COMMENT

My name is George Hopwood and I am a resident of Crown Point Estates and the President of the Crown Point Estates HOA. Crown Point Estates is one of the residential communities within the Scottsdale Princess Community Association. I am also on the Scottsdale Princess Community Association Board as the liaison for the other three residential communities which are Princess Views, Alcazar, and Crown Point 2.

Being in these positions I regularly conduct meetings with all of these communities and receive feedback on issues, concerns, and opportunities for our communities. Based on these meetings I can honestly tell you that there is overwhelming support within our communities for the Fairmont Scottsdale Princess Expansion Plan.

From a City of Scottsdale perspective, the Fairmont Scottsdale Princess has been a prominent business member of the Scottsdale community for the past 25 years. The Scottsdale Fairmont Princess is both a place for major events and fine dining, as well as a place where Scottsdale residents and families gather for special events throughout the year, such as Christmas at the Princess and 4th of July festivities.

Thank you for allowing me the opportunity to express my strong support in favor of the Fairmont Scottsdale Expansion Plan.
