Hi Brad,

I received the referenced inactivity letter. I have been wanting to reach out to you to keep this open.

I've been working with the developer on the Scottsdale Edition Hotel at Scottsdale Rd and Camelback and SRP would like to convey sidewalk easement to City of Scottsdale in exchange for the City abandoning the easement referenced in the letter at 68th Street and Indian School.

Can we keep this open? I have the legal description and the exhibit for the sidewalk easement SRP will convey to Scottsdale by the substation at the Camelback location. I just need to put the easement together and submit it to you.

I am heading out of the office, but maybe we can touch base on Monday, May 13.

Thank you.

~ Sheri
