

Sec. 1.403. - Additional conditions for specific conditional uses:

I. *Gas station.*

1. The application shall include detailed landscape plans showing plant, type, size and spacing. All landscape plans shall include an automated watering system. Planting areas shall cover a minimum of five (5) percent of the lot area and may be required to cover as much as twenty (20) percent of the site, depending upon site size. All trees planted shall have a minimum caliper of two (2) inches and all shrubs shall be at least five-gallon size. Lack of care and maintenance of the landscaped areas is cause for revoking the Conditional Use Permit.
2. All structures approved under this Conditional Use Permit shall be of a unique design appropriate for the area in which they are to be constructed. All canopies shall be connected to the roof of the main structure unless otherwise approved. Renderings of any buildings shall accompany each application and construction shall be in reasonable conformity thereto.
3. All sources of artificial light shall be concealed and attached to the main structure, unless otherwise approved. All lighting shall be designed to minimize glare.
4. The minimum area of a parcel, exclusive of street dedication, shall be twenty-two thousand five hundred (22,500) square feet.
5. A solid masonry wall or planting screen is required between all gas station sites and a residential district shown on Table 4.100.A., or the residential portion of a Planned Community P-C or any portion of a Planned Residential Development PRD with an underlying zoning district comparable to the residential districts shown on Table 4.100.A. The wall height shall be as determined in each case based on the site and surrounding property contextual relationships.
