Re: GLO Patent Easement Abandonment – Letter of No Objection  
7845 E. Dynamite Boulevard, City of Scottsdale, Maricopa County, APN #212-21-018

Dear Mr. & Mrs. Decuyper:

On behalf of Arizona Public Service Company (“APS”), I have reviewed your request for APS’ consent to the abandonment of a 25’ wide portion of the 33’-wide GLO patent easement along the easterly boundary of the above-referenced property.

APS has ***no objection*** to the abandonment of the GLO easement as described above.

Please use caution when working in the vicinity of the underground electric service feed to the existing residence. This feed enters the property near the southeasterly corner and proceeds underground to the northeasterly corner of the residence. Also note that the “Proposed Future Cul-De-Sac per City of Scottsdale” shown on the plans appears to be in conflict with the underground electric service feed to the residence. Contact APS Constomer Construction East, 602-493-4401, as early in the planning process as possible in order to avoid conflicts and provide adequate electrical service to the new construction.

Should you have any questions regarding this matter, please do not hesitate to contact me at 602-371-7847 or [james.generoso@aps.com](mailto:james.generoso@aps.com).

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Generoso", with a stylized flourish at the end.

James R. Generoso, SR/WA  
Senior Land Agent
