REF # 13-ZN-2020#2 I wholeheartedly support Axon's request to expand its campus in Scottsdale. With expectations to grow to over 4,000 employees in the next few years, Axon's continued success is crucial for the economic future of our city. The jobs they create not only contribute to their success but also provide essential base income for surrounding retail and residential uses. Supporting Axon's expansion, including the addition of residential and commercial spaces, will further solidify its positive impact on our community. Sincerely, Christina Heide
