To whom it may concern :

As a very concerned Los Portones resident of 18 years, I strongly object to the doggie daycare planned for the northwest corner of Los Portones and pinnacle peak Road in north Scottsdale..

We certainly don't need the noise nuisance that this will create. There are already plenty of dog day care facilities in the area and we certainly don't need one right next to a residential neighborhood like Los Portones.

Thank you for listening! Have a great day !
