I read the application for this pet service and see there is a lot of office space 5,160 sf (more than the kennel space). That seems like a lot of space for employees. How many employees are anticipated? Is this just a daycare and kennel or will there be Dogs Grooming? Will these offices be just for the pet facility or will they be offered for rent at some point? I assume the kennels are on the first floor with offices above.

Sincerely,
Camille Nielsen
