Katie Posler,

I am writing this email to you in reference to the above case #.

We are totally appalled that a C1 zoning is being considered for a doggie day care center at the corner of in the land area on the corner of Los Portones and Pinnacle Peak. We groom dogs every day and listen to all the barking in the grooming salon. We accept it there because it's part of our jobs. With that being said, we don't want to have to come home and listen to BARKING all night long.

There is Always Unleashed around the corner from Los Portones. I'm so sure the restaurants in this area are going to negate this proposal.
