Katie Posler, Thank you for our conversation and i would like to voice my concerns about the Doggie Day Care Center. I can view the site from my back yard and would not like to have barking dogs lights on all the time and dumpster problems, rodents and bad odors and cars in and out at all times. Another concern is heavy use of water and there are other dog facilities already close by. Also if this business would fail or be sold that could also be a concern because of the zoning. Please vote NO.....Thank you for your help in this matter.....Again Please vote NO.....Home owner at Los Portones... Greg Eberle...
