I am writing you about my concerns for the proposed case # 1-gp-2023, 1-an-2023 potential daycare in my neighborhood. I oppose the rezoning for this type of business or any rezoning for this land parcel. I am concerned about the traffic increase at an already dangerous corner and don't think this belongs at the entrance to a gated community with over 450 homes. The busiest times for dog drop off hours are when neighbors are going and coming home from work or taking kids to and from school. The office park has plenty of activity during the week and a church that operates on Sundays.

Also concerned about noise, smells and complicating an already busy area.

Please advocate for the current neighborhood and vote NO to this project. I am certain most neighbors and most of the office park owners are unaware of this project or you would be hearing more calls to vote NO to this.

Thank you, Linda McCabe
