I am opposed to the rezoning of the land at Pinnacle Peak and Los Portones for a doggie day care. There are many houses right next to the area and a facility like this causes a lot of barking and noise. Also, currently it is very difficult to exit Los Portones onto Pinnacle Peak with the amount of traffic now. This facility will create much more of a problem. -- sent by Loreen leitzen (case# 1-ZN-2023)
