Hi Kathryn, I attended the meeting last night regarding the rezoning of the property at the north west corner of Pinnacle Peak and Los Portones, the meeting was very well attended by homeowners. As you well know, the developer wants to put in a Doggy Day Care. The building will be 9,600 square ft. and two stories with 100 kennels meaning 100 dogs. If this rezoning should be approved, the Scottsdale Police will be overwhelmed with calls of complaints. I feel the present zoning is more than acceptable and the area residents would approve of anything going in under the present zoning. I want to thank you for returning my call and presenting our concerns to the City Council.

Yours truly,
