Katie,

Good day to you.

Regarding Case #956-PA-2022

I am unable to attend tomorrow evening's zoning
meeting regarding the property on Pinnacle Peak

I am AGAINST this rezoning,

That corner already has high traffic, and noise level has gone up , and continues to increase.

Both levels and numbers keep increasing ...>>>. the population has grown in the surrounding areas.

We want safety to be a major issues.....car traffic to be safe.....noise levels maintained for neighborhood comfort, etc.

****Do not change the zoning from office to commercial.****

P.S> Speaking with a handful of neighbors.....we all agree this zoning should NOT be changed.
