To Posler, Kathryn <kposler@ScottsdaleAZ.gov>

2 story units are excellent at this location but I do not believe that there should be 3 story buildings in this development. Three story buildings would not be compatible with the neighborhood character and would be inappropriate. If they want three story structures they can develop a level underground. I assume Scottsdale has "existing grade" regulations that will not allow the builder to raise the grade level of the units. Tom Barrett 11075 E. Acacia Drive Scottsdale -- sent by Tom Barrett (case# 2-ZN-2024)
