COMMENT	
Comment:	<p>Dear Commissioners: Two things: At the last meeting, one person was allowed to hold the floor for nearly two hours. Of course, the conduct of the meeting is up to you and the COS Staff. But I feel that that should have been noted on the agenda so the rest of us could have prepared differently. Second: I have looked carefully at the new "condensed" version of the VM draft plan. It has 43 pages compared to older version of 86 pages. The only differences i can find is that the 43-page one omits many photos, some maps, and large blocks of text. The previous titles of Chapters and Chapter sections are still in place, (see for example Chapter 3 headings on pages 13 & 14 in condensed version, or Chapter 8 on pages 21 and 22) , but the text that was under some Section headings is gone. This all very confusing. Will the pics and blocks of text be replaced? Is it going to be revised?? Was there an explanation somewhere that i missed? Sincerely, Amy MacAulay</p>
