8-AB-2024 I object to the applicants request for the City of Scottsdale to abandon property at the benefit of a private entity for developmental purposes. This is an environmentally sensitive land in a planned community. This should remain undeveloped city property. Additionally, I do not believe the community received sufficient opportunity to comment. The signs posted in the area were blown over and were unreadable shortly after they were erected. I have photos. -- sent by LA Hazan (case# 8-AB-2024)
