As a nearby resident (in the same zip code as this project), I'm writing to express my strong support for the Collectors Garages project near WestWorld. This development will beautifully complement the WestWorld area, enhancing its reputation as a premier destination for automotive enthusiasts and events. The project brings high-quality design and thoughtful planning, and I believe it will strengthen the local economy and contribute to the vitality of the surrounding neighborhood. I encourage you to approve this project, which adds value not just for car collectors, but for the broader Scottsdale community. Thank you for your consideration.
