I wanted to take a moment as a business owner, and property owner, in the Scottsdale Airpark to encourage the city to approve rezoning plans to allow our city to continue to thrive. Business like this will continue to bring in high profile business and can only be viewed as a benefit to all surrounding businesses. It is exciting to see new opportunities popping up, and I hope the city helps in encouraging growth through new business and developments that will only benefit existing businesses. Thank You, Paul Noble -- sent by Paul Noble (case# 5-ZN-2024)
