Can you check on the status of the cases assigned to each of you? The Richards barn one I think I just didn't close out properly.

Subject: for monday

Need an update on the DRB appeal in Old Town
Also need an update on whether we are caught up on water/transportation, etc reviews

We are going to figure out if we need the separate project meetings, or if they can be merged with the new agenda review, so also identify the planning items on the upcoming 2-3 meetings, thanks!

Many thanks. Sincerely,
Brent Stockwell, MPA, ICMA-CM
