Meredith – checking in to make sure you have everything you need. I see on May 15 – water/sewer commented that 3<sup>rd</sup> review corrections were outstanding; however, we resubmitted those revised water/sewer reports on 5/16 so wanted to make sure they were properly routed. Thx.

Hello Anthony,

I would chat with Jennifer Hall or Jordan Rose to get the official DR case number and key code. It appears the DR case was administratively incomplete, aka rejected, due to missing checklist items.

Thank you,  
Chris Z

Good morning, Chritopher.

Can you please help me with getting a review status update on our DRB submittal for Collectors Garage project no. 532 - PA – 2024? I tried to login to the online portal and the project number and key code (T4577) are not working for me.

I have attached a copy of our DRB checklist in case you need it.

Thank you,

**Anthony Martinez**
