Purpose of the Plan

To address security measures, maintenance/refuse and operations for an establishment whose use shall require a Security Plan pursuant to Scottsdale Revised Codes. These uses typically include a Bar Use Permit and a Live Entertainment Use Permit. The contents of this plan will address the listed concerns as well as community concerns regarding:

- Any significant increase in vehicular or pedestrian traffic, including effects on parking, traffic and circulation in the area.
- Adequate control of disruptive behavior both inside and outside the premises to include property damage and refuse issues.
- Compatibility with surrounding structures and uses.

It is the intent of the City of Scottsdale to provide an environment that enhances the safeguarding of property as well as public welfare and to limit the need for law enforcement involvement.

The Permittee agrees that successful execution and enforcement of this Plan are a required condition of the use permit. Termination, cancellation, deviation or non-approval of the Plan constitutes a breach of the Plan and could result in the revocation of the use permit.

Security and Maintenance

Security Attire

Security personnel must be readily identifiable to police, patrons, and other employees to ensure the safety of the security staff when engaged with patrons. Security personnel should wear an appropriate styled shirt with the word "security" on both the front and back, in two (2) inch lettering and clearly visible. During cold weather, a jacket with the same inscription should be worn.

The use of radios should be employed between security staff and management when the size of the establishment limits communication efforts.

Security Officer Responsibilities

The Permittee or management must clearly delineate the below responsibilities to all new security personnel and ensure these responsibilities are explained and understood.

Civilian Security Officers will be responsible for patrolling the full property of the liquor establishment during all hours when patrons are in the establishment, outside the establishment, and in the establishment parking areas.

On peak nights, there will be a minimum of 3 uniformed security officer(s). (Wearing the above-described uniform). The following responsibilities shall be agreed upon and adhered to:

1. 1 Security officer(s) will be responsible for roaming the interior of the business and identifying hazards, problems, and maintaining guest safety.
2. 2 Security officer(s) will be responsible for checking identifications at the front door. Acceptable identification are those listed in Arizona Revised Statutes Title 4, section 241 A and apply to patrons accessing any area of the licensed premises, including the time period of After-Hours, if applicable. Additional responsibilities shall include: access control, counting of patrons, and prevention of intoxicated persons from entering the business.
3. 1 Security officer(s) will be responsible for conducting roaming patrol of the exterior in an effort to prevent criminal behavior, maintain the peace and prevent refuse issues. This patrol shall include all parking areas to prevent a gathering of patrons during business hours and up to thirty (30) minutes after closing.

In addition, security officers will report all acts of violence to management personnel, complete a written report, log the act of violence, and contact Scottsdale Police Department immediately. Liquor establishment management and/or ownership has the ultimate responsibility for the recording of the act of violence, logging of the act of violence, and reporting the act of violence to the police department and the State Department of Liquor Licenses.

Management Responsibilities

The Permittee must clearly delineate the below responsibilities to all managers, assistant managers, and person(s)-in-charge and ensure these responsibilities are understood and followed.

The manager(s) shall ensure that all employees, security staff and off-duty officers (if applicable) be trained and knowledgeable about the contents of this plan. The following shall be agreed upon and adhered to:

Parking

In order to reduce criminal activity that negatively affects the nearby businesses, the Permittee is responsible for the designated parking area to include any lots used by the Permittee's contracted valet company. It is the Permittee's responsibility to ensure that parking areas utilized by patrons and employees will be routinely patrolled by security staff so parking areas are not used: as a gathering place; for consumption of spirituous liquor; for violations of state or city law; for acts of violence, or disorderly conduct. Management will ensure that all patrons have left the parking areas within thirty minutes after the designated closing time.

If valet is used, it is the Permittee's responsibility to ensure the valet company meets all the requirements of the City of Scottsdale and has a valid valet license and permit prior to conducting valet business.
