GORMAN & COMPANY

Integrity. Innovation. Community.

June 18, 2025

Notice of Development Review Board Application--Pre-application number: 840-PA-2024

Dear Resident, Property Owner, and/or Interested Party:

Gorman & Company ("Gorman" or "Applicant"), in partnership with Scottsdale United Methodist Church ("SUMC"), is proposing to provide new, high-quality attainable, workforce housing units ("Project") within proximity of jobs, retail, restaurants, and other services in the heart of the City. SUMC is the owner of the approximate 4.5 acres located at 4140 North Miller Road ("Property"). See enclosed Aerial Map. The Property is zoned C-3 Downtown Overlay (C-3 DO). The purpose of this letter is to inform you that Gorman will be submitting a Development Review Board application to the City to accommodate the Project. This development proposal, including proposed use, is permitted by-right on the Property.

As with many places of worship nationwide, parishioner membership has fallen—but, SUMC has remained steadfast in its mission and dedication to serve the community, along with continuing to provide daycare. In addition, there is a lack of moderately priced rental housing for families in and around the downtown Scottsdale area. The development proposal represents a unique opportunity for SUMC to re-imagine an underutilized portion of the SUMC campus, providing much needed housing in the City and continue to serve the Scottsdale community. This innovative real estate partnership between Gorman and SUMC will make a portion of the site available for new housing, while importantly maintaining the on-going church and daycare functions.

Specifically, the proposal is to deliver 82 multi-family dwelling units comprised of one, two-, and three-bedroom units in two (2) 3-story buildings. The buildings have been thoughtfully designed utilizing a combination of brick and stucco, metal accents, and shade canopies. Each unit is anticipated to have an exterior patio or terrace providing additional architectural enhancement and interest to each façade. The project is planned to offer many age-specific amenities both inside and outside, including an on-site playground. Primary vehicular access is planned along Miller Road, with secondary access from 75th Street. Residents will utilize on-site parking through a combination of tuck-under, canopy covered, and surface parked spaces. All design will follow the Scottsdale Green Building Code and in addition the buildings will be certified as Energy Green Community buildings—a national certification. See enclosed Site Plan and Perspective Renderings. Gorman prides itself on building high-quality projects with beautiful buildings and amenities that serve its residents' wants and needs, and believes this investment will serve as a long term asset for the City and community.

If you have any questions regarding this development proposal or letter, please contact me at (602) 430-8345 or dklocke@GormanUSA.com. Thank you.

Best regards,

Dan Klocke
Director of Development Arizona Market
