Good afternoon Meredith,

Following our recent discussions with the applicant and the resulting adjustments to their request, we would like to formally rescind our letter of opposition to the proposed zoning amendment. Please let us know if there are any additional steps we need to take to provide proper notice to the City.

Thank you,

Good afternoon Meredith,

Can you please direct the attached letter to the City's planning commissioners for their review and consideration in reference to case 20-ZN-2002#5. Thank you for your time and assistance in directing to the appropriate parties.

If possible, can I be added to a communication list regarding updates to any future public hearing dates on this case?

Thank you,
