Dear Mayor Lane and City Council,

I strongly urge you to approve the proposed development on the north side of the Greenway-Hayden Loop and 73rd Street, the former Barcelona site and the DFC Offices. The addition of luxury rental units is a logical addition to the mixed-use Zocallo Plaza. This project would be a big boost to the surrounding businesses by bringing additional high-income residents to the area.

I support this project and look forward to its completion.

Sincerely,

Heidi Viviano

Dear Mayor Lane and City Council,

I am writing in regards to the proposed development on the north side of the Greenway-Hayden Loop and 73rd Street, the former Barcelona site and the DFC Offices. Luxury rental properties of this quality would be a definite boost to this area. This is the missing piece that will round out the Zocallo Plaza. The jobs and taxes brought in to Scottsdale with this project is certainly something that we need as a city.

I support this project and encourage you to move forward in approving this as soon as possible.

Sincerely,

A handwritten signature in cursive script, appearing to read "Julia Cherry". The signature is written in dark ink and is positioned to the right of the word "Sincerely,".

Dear Mayor Lane and City Council,

I strongly urge you to approve the proposed development on the north side of the Greenway-Hayden Loop and 73rd Street, the former Barcelona site and the DFC Offices. The addition of luxury rental units is a logical addition to the mixed-use Zocallo Plaza. This project would be a big boost to the surrounding businesses by bringing additional high-income residents to the area.

I support this project and look forward to its completion.

Sincerely,

Dear Mayor Lane and City Council,

A residential component to a mixed-use development is beneficial to all parties. That is why I am in support of the proposed Residences at Zocalla Plaza development on the north side of the Greenway-Hayden Loop and 73rd Street, the former Barcelona site and the DFC Offices. The addition of luxury rental units as part of the Zocallo Plaza is a fantastic idea. New customers and additional revenue will really help the surrounding businesses. This project will enhance the cohesiveness of Zocallo and the surrounding community.

I strongly urge you to support this project.

Sincerely,

I am writing in regards to the proposed development on the north side of the Greenway-Hayden Loop and 73rd Street, the former Barcelona site and the DFC Offices. Luxury rental properties of this quality would be a definite boost to this area. This is the missing piece that will round out the Zocallo Plaza. The jobs and taxes brought in to Scottsdale with this project is certainly something that we need as a city.

I support this project and encourage you to move forward in approving this as soon as possible.

Sincerely,
