RE: DRB APPROVAL NOTIFICATION Case Reference No: 55-DR-2016 Freddy's Steak Burgers
The Development Review Board approved the above referenced case on November 16, 2017.

For your use and reference, we have enclosed the following documents:

- Approved Stipulations/Ordinance Requirements
- Site Plan with Fire Dept. Requirements Notations
- Accepted Case Drainage Report
- Construction Document Submittal Requirements/Instructions
- This approval expires two (2) years from date of approval if a permit has not been issued, or if no permit is required, work for which approval has been granted has not been completed.
 - These instructions are provided to you so that you may begin to assemble information you will need when submitting your construction documents to obtain a building permit.
- Table: "About Fees"
 - A brief overview of fee types. A plan review fee is paid when construction documents are submitted, after which construction may begin. You may review the current years fee schedule at: <http://www.scottsdaleaz.gov/bldgresources/Fees/default.asp>

Please note that fees may change without notice. Since every project is unique and will have permit fees based upon its characteristics, some projects may require additional fees. Please contact the One Stop Shop at 480-312-2500.

Finally, please note that as the applicant, it is your responsibility to distribute copies of all enclosed documents to any persons involved with this project, including but not limited to the owner, engineers, architect, and developer.

Sincerely,

Meredith Tessier

The following table is intended to assist you in estimating your potential application, plan review, and building permit fees. Other fees may also apply, for example Water Resources non-Residential Development, Parking-in-Lieu Fees, or Assessment District Fees; and those fees are not listed in this package the plan review staff is responsible for determining additional applicable fees. Please contact the One Stop Shop if you have any questions.
