Dear Mayor and Council,

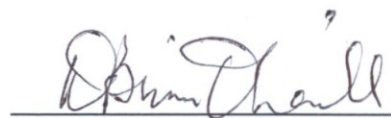

The Board of Directors of The Stagebrush Theatre urge you to support the proposed text amendment to the Planned Airpark Core Development zoning district that is contained in City Council action item 2-TA-2018. We are excited about the potential that this update will create for future cultural improvements in our City.

The new Cultural Improvements Program requirements will increase the potential for public arts and arts programs on private development sites, which truly creates new opportunities for sustaining arts programs in the City of Scottsdale.

Scottsdale has always found creative and positive ways to enhance arts opportunities for our citizens. Please continue this by supporting the proposed text amendment to the PCP zoning district.

Sincerely,

STAGEBRUSH THEATRE / HOME OF GREASEPAINT YOUTHEATRE AND SCOTTSDALE COMMUNITY PLAYERS
