Extensions would be for 5-PP-2016#4 and 5-PP-2016#5. The other preliminary plats have recorded plat associated with those cases.

A one year extension of the preliminary plat approval can be requested. The fee for the time extension is \$340 per preliminary plat case. Submit a letter requesting the extension before the expiration date (11/16/19) to the One Stop Shop and pay the extension fee.

Doris,

I believe that the Storyrock pre-plats will be expiring on November 15th. Could you confirm if this is the case and then also what is available to us for extensions? I cant remember if we asked for the extensions up front or if we still have the ability to extend them further. As you know, were now rocking and rolling on those plats with builder interest to keep on moving to future phases. So, we definitely don't want those to expire. Thanks!

Feel free to call me to discuss if that's easier.
