**CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT**  
**Seventh-day Adventist Campus Master Plan and Text**  
**Amendment**

November 26, 2019

**Overview**

This Citizen Review Report is being performed in association with a request for a non-major General Plan Amendment, a non-major Amendment to the Greater Airpark Character Area Plan, and a Zoning District Map Amendment of a 75+/- acre campus located at the northeast corner of Scottsdale Road and Sutton Drive. The proposed project would result in a campus master plan with proposed mixed-uses that include office, commercial/industrial, aeronautical, and/or residential uses. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with these parties will be ongoing throughout the process. Work on compiling a list of impacted and interested stakeholders and neighborhood outreach began prior to the application filing and will also continue throughout the process. Communication with impacted and interested parties has taken place with verbal, written, electronic, and door-to-door contact.

## Community Involvement

The outreach team has been communicating with neighboring property owners, businesses, HOA's, and community members by telephone, one-on-one meetings, door-to-door outreach, and small group meetings since May 2019. To date, the outreach team has visited **over 425 neighboring homes and businesses** in the immediate area to get feedback on the project.

Members of the outreach team will continue to be available to meet with any neighbors who wish to discuss the project. Additionally, they will be contactable via telephone and/or e-mail to answer any questions relating to the project.

Surrounding property owners, HOAs and other interested parties were noticed via first class mail regarding the project. The distribution of this notification **EXCEEDED, by an additional 33%**, the City's required mailing radius as specified in the Citizen Review Checklist. This notification contained information about the project, as well as contact information. This contact person will continue to provide, as needed, additional information and the opportunity to give feedback. The notification also contained information regarding a neighborhood Open House that was held on June 5, 2019 at the Seventh-day Adventist Conference Office for those who wished to learn more about the project. The site and time were posted on **MULTIPLE** Early Notification Signs on the property.

In total, 36 interested people (see attached sign-in sheets) attended the Open House. A majority of the attendees were generally supportive of the project. Some attendees had questions about height, construction timing, noise, and traffic. These questions were all addressed at the Open House. Subsequent to the Open House, the outreach team responded to several calls from neighbors who were unable to attend the meeting and wanted information about the proposal. As a result of neighborhood input, the initial site plan has changed to accommodate moving buildings and uses farther away from the existing residential neighbors.

Subsequent to the June Open House, two additional Open Houses were held on the proposed Text Amendment (393-PA-2019), necessary to accomplish the proposed office uses on the site. The Open Houses were held on November 13, 2019 in southern Scottsdale and on November 14, 2019 in northern Scottsdale. One neighbor attended on November 13<sup>th</sup> and two neighbors attended on November 14<sup>th</sup>. Those attendees had no objection to the Text Amendment, but wanted to verify details of the current zoning proposal.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. Again, the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.

Dear Neighbor:

The Arizona Conference Corporation of Seventh-day Adventists has a long and prominent history in Scottsdale and the Scottsdale Airpark area. Over the years, our campus has evolved and changed with the ever-growing needs of our Church and the Airpark area. With that in mind, we are pleased to tell you about an upcoming request with the City of Scottsdale (393-PA-2019) to create a flexible master plan for our campus located at the northeast corner of Scottsdale Road and Sutton Drive.

The request is for a Zoning District Map Amendment to rezone from Industrial (I-1) and Residential (R1-35) to Airport Mixed-Use (AMU), Airport Mixed-Use Aviation (AMU-AV), and Airport Mixed-Use Residential (AMU-R) with a Planned Airpark Core Development (PCP) District overlay for our approximately 75+/- acre site. The request is in conformance with the City's Greater Airpark Character Area Plan. This master plan would include potential buildings for office, commercial/industrial, aeronautical, and/or residential uses (see attached graphic) and would likely take 5-10 years to complete. Our goal is to create an endowment from the development revenues that will allow the existing Church and Education buildings (approximately 30 acres of the 75-acre campus) on the southeast portion of the property to continue to operate.

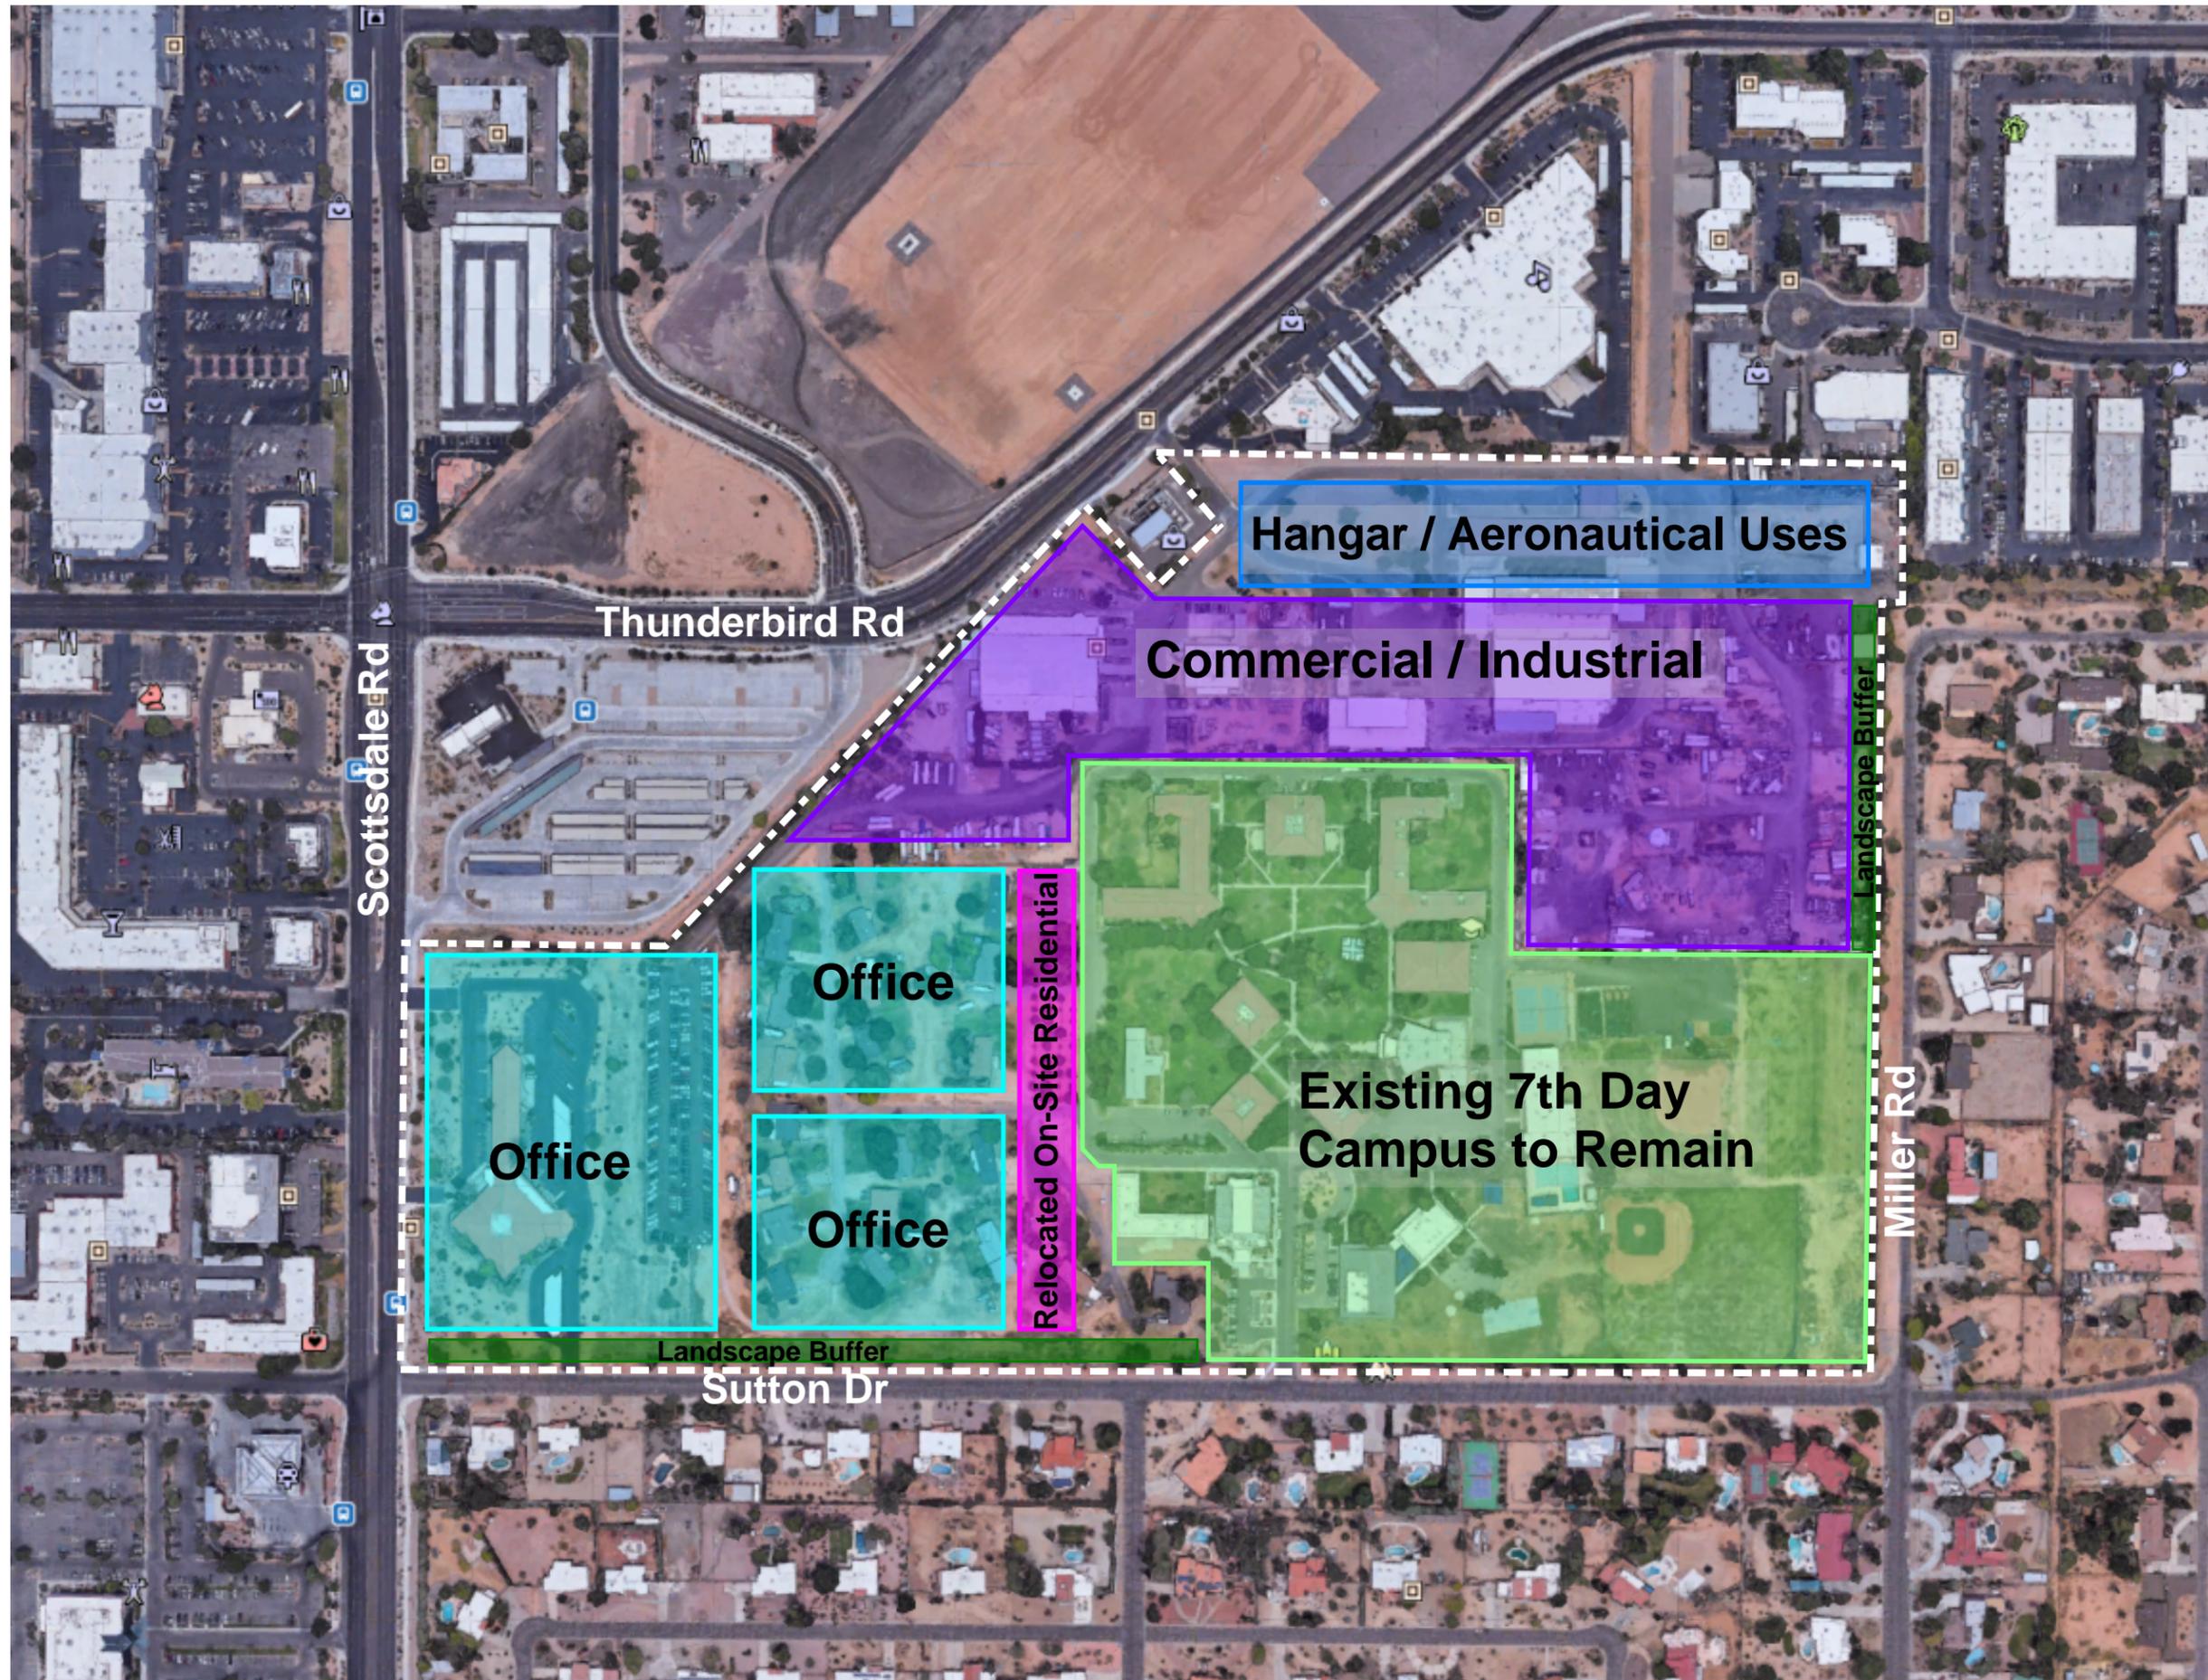

You are invited to attend an open house to discuss this proposal. The open house will be held on Wednesday, June 5, 2019 from 5 p.m. to 6 p.m. in the Conference Office of the Seventh-day Adventist Conference, located at 13405 N. Scottsdale Road.

If you have any questions, please contact our neighborhood outreach team at 602-957-3434 or [info@technicalolutionsaz.com](mailto:info@technicalolutionsaz.com). The City of Scottsdale Project Coordinator for the project is Bryan Cluff, who can be reached at 480-312-2258 or [BCluff@scottsdaleaz.gov](mailto:BCluff@scottsdaleaz.gov).

Thank you.

Sincerely,

Reginald Leach, Treasurer

Dear Interested Parties, Property Owners or Neighborhood Association Presidents:

**RE: Pre-application number 393-PA-2019**

We represent the Arizona Conference Corporation of Seventh Day Adventists and their property located at the northeast corner of Sutton Drive and Scottsdale Road (“Property”) in Scottsdale (“City”). The Property is currently in the City’s minor general plan amendment and rezoning process to create a development plan of offices along their Scottsdale Road frontage, light industrial and aviation uses along their Redfield Road frontage on the north end of the Property and maintain the existing religious school campus and worship facilities on the remainder of the Property. In trying to keep the uses simple for the redevelopment plan, the City’s zoning ordinance has certain development restrictions related to office uses that we’d like to address in a minor text amendment.

Please be advised that there will be two (2) open house meetings to discuss a request for a Zoning Ordinance Text Amendment to the Scottsdale Revised Code. The specific request is to update the language to allow all of the ground floor building area in the Airpark Mixed Use sub district to be office uses, which is consistent with our zoning proposal that has been filed with the City. We look forward to further explaining our proposal at the below open houses. The neighborhood meetings will be held on:
