## CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT

### Gentry on the Green

August 6, 2019

#### Overview

This Citizen Review Report is being performed in association with a request for a Major General Plan Amendment and Zoning District Map Amendment of a 41.5+/- acres property located at the southwest corner of Camelback Road and the Indian Bend Wash. The proposed project would result in a multi-year phased bicycle-centric development with proposed mixed-uses that include residential, retail, open space and a potential urban grocer in Phase 1. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with these parties will be ongoing throughout the process. Work on compiling a list of impacted and interested stakeholders and neighborhood outreach began prior to the application filing and will also continue throughout the process. Communication with impacted and interested parties has taken place with verbal, written, electronic, and door-to-door contact.

#### Community Involvement

The outreach team has been communicating with neighboring property owners, HOA's, and community members by telephone, one-on-one meetings, door-to-door outreach, and small group meetings since January 2019. To date, the outreach team has visited **over 850 neighboring homes** in the immediate area to get feedback on the project. Since it was not possible to walk the Scottsdale Shadows community, the outreach team contacted the community's property manager who then reached out to the community's 7 HOA Presidents with info on the proposal. As a result, an **information flyer** about the project was created and distributed through all of Scottsdale Shadows (see attached). Members of the outreach team will continue to be available to meet with any neighbors who wish to discuss the project. Additionally, they will be contactable via telephone and/or e-mail to answer any questions relating to the project.

Surrounding property owners, HOAs and other interested parties were noticed via first class mail regarding the project. The distribution of this notification **EXCEEDED** the City's 750' radius mailing requirements as specified in the Citizen Review Checklist. This notification contained information about the project, as well as contact information. This contact person will continue to provide, as needed, additional information and the opportunity to give feedback. The notification also contained information regarding **TWO** neighborhood Open Houses that were held on May 8, 2019 and May 9, 2019 at the Chaparral Community Center for those who wished to learn more about the project. The site and times were posted on **MULTIPLE** Early Notification Signs on the property.

In total, 47 interested people (see attached sign-in sheets) attended the two Open Houses in addition to City Planning Staff and a City Council Member. Most of the attendees were generally supportive of the project. A couple of questions arose about height, construction timing, and affordable housing. These questions were all addressed at the Open House.

In addition, the development team held a **SPECIAL OPEN HOUSE** for the residents of Scottsdale Shadows in their community room on May 29<sup>th</sup>, 2019. Approximately 60 residents attended. An **additional open house** is being held on August 20, 2019 for current Colrich tenants living on the site to keep them updated on the progress of the project. As previously stated, the outreach team will continue to be available to respond to any neighbors who have questions or comments.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. Again, the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.

## CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT

### Gentry on the Green

May 13, 2019

#### Overview

This Citizen Review Report is being performed in association with a request for a Major General Plan Amendment and Zoning District Map Amendment of a 41.5+/- acres property located at the southwest corner of Camelback Road and the Indian Bend Wash. The proposed project would result in a multi-year phased bicycle-centric development with proposed mixed-uses that include residential, retail, open space and a potential urban grocer in Phase 1. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowners associations, and other interested parties. Communication with these parties will be ongoing throughout the process. Work on compiling a list of impacted and interested stakeholders and neighborhood outreach began prior to the application filing and will also continue throughout the process. Communication with impacted and interested parties has taken place with verbal, written, electronic, and door-to-door contact.

#### Community Involvement

The outreach team has been communicating with neighboring property owners, HOA's, and community members by telephone, one-on-one meetings, door-to-door outreach, and small group meetings since January 2019. To date, the outreach team has visited **over 850 neighboring homes** in the immediate area to get feedback on the project. Since it was not possible to walk the Scottsdale Shadows community, the outreach team contacted the community's property manager who then reached out to the community's 7 HOA Presidents with info on the proposal. As a result, an **information flyer** about the project was created and distributed through all of Scottsdale Shadows (see attached). Members of the outreach team will continue to be available to meet with any neighbors who wish to discuss the project. Additionally, they will be contactable via telephone and/or e-mail to answer any questions relating to the project.

Surrounding property owners, HOAs and other interested parties were noticed via first class mail regarding the project. The distribution of this notification **EXCEEDED** the City's 750' radius mailing requirements as specified in the Citizen Review Checklist. This notification contained information about the project, as well as contact information. This contact person will continue to provide, as needed, additional information and the opportunity to give feedback. The notification also contained information regarding **TWO** neighborhood Open Houses that were held on May 8, 2019 and May 9, 2019 at the Chaparral Community Center for those who wished to learn more about the project. The site and times were posted on **MULTIPLE** Early Notification Signs on the property.

In total, 47 interested people (see attached sign-in sheets) attended the two Open Houses in addition to City Planning Staff and a City Council Member. Most of the attendees were generally supportive of the project. A couple of questions arose about height, construction timing, and affordable housing. These questions were all addressed at the Open House. The development team is also scheduled to attend multiple HOA meetings in the coming weeks with Scottsdale Shadows to answer questions from their residents. As previously stated, the outreach team will continue to be available to respond to any neighbors who have questions or comments.

A vital part of the outreach process is to allow people to express their concerns and understand issues and attempt to address them in a professional and timely matter. Again, the entire team realizes the importance of the neighborhood involvement process and is committed to communication and outreach for the project.

*Generations of Excellence*

April 25, 2019

Dear Neighbor:

We are pleased to tell you about an upcoming request with the City of Scottsdale (323-PA-2019) to create an innovative mixed-use development, celebrating the Indian Bend Wash, that will provide substantial and meaningful community open space. The request is for a Major General Plan Amendment from Urban Neighborhoods to Mixed-Use Neighborhoods and a Zoning District Map Amendment to rezone from Multiple-family Residential (R-5) to Planned Unit Development (PUD) with Planned Shared District overlay (PSD) of an approximately 41.5+/- acre site located at the southwest corner of Camelback Road at the Indian Bend Wash (currently the Visconti, Cortesian and Glen apartments). This proposal, known as Gentry on the Green, would be a multi-year phased development with proposed mixed-uses that include residential, retail, open space, and a potential urban grocer in Phase 1 and the potential for office, retail, hotel, residential health care or additional residential in Phase 2. The project's unique location on the Indian Bend Wash will provide new opportunities for bicycle tourism and bicycle-oriented recreation for residents, as well as enhancing the City's current Indian Bend Wash trail system. In many ways, Gentry on the Green will be the City's first bicycle-centric community.

We will be holding two open houses to provide you an opportunity to learn more about the project. The information provided at both open houses will be identical, so it is not necessary to attend both, but of course, you are welcome to do so. The first will be held on Wednesday, May 8th, from 5:00 to 6:00 PM at the Chaparral Community Center, 5401 N. Hayden Road. The second open house will be held on Thursday, May 9th, from 2:00 to 3:00 PM at the Chaparral Community Center, 5401 N. Hayden Road.

If you have any questions, please contact the neighborhood outreach team at 602-957-3434 or [info@technicalsolutionaz.com](mailto:info@technicalsolutionaz.com). The City of Scottsdale Project Coordinator for the project is Bryan Cluff, who can be reached at 480-312-2258 or [BCluff@scottsdaleaz.gov](mailto:BCluff@scottsdaleaz.gov).

Thank you.

Sincerely,

The ColRich Development Team

P.S. We have included a couple of images to give you a sense of the enhancements that will hopefully be part of this exciting project.

## Gentry on the Green Proposal

ColRich is proposing to create an innovative mixed-use development, celebrating the Indian Bend Wash, that will provide substantial and meaningful community open space at the southwest corner of Camelback Road at the Indian Bend Wash (currently the Visconti, Cortesian, and Glen apartments). This proposal, known as Gentry on the Green, would be a multi-year phased development with proposed mixed uses that include residential, retail, open space, and a potential urban grocer. The project's unique location on the Indian Bend Wash will provide new opportunities for bicycle tourism and bicycle-oriented recreation for residents, as well as enhancing the City's current Indian Bend Wash trail system.

Please see the proposed site plan and rendering below. For more information or questions, please feel free to contact the neighborhood outreach team at (602) 957-3434 or [info@technicalsolution saz.com](mailto:info@technicalsolution saz.com)

PLEASE TELL US YOUR THOUGHTS & SUGGESTIONS REGARDING THE PROPOSED PROJECT:

*I have definite concerns about the length of the construction process - noise and dust and scorpions for over 10 years. I would prefer a cap on 3 story buildings rather than four. Four will destroy some of the "town" quality and make it more urban.*
