Good morning Ellen,

Thank you for your comments. Here is a link to the case info sheet for this project <https://eservices.scottsdaleaz.gov/bldgresources/Cases/Details/50356> . You may view some of the applicants submittal docs on this page. Any revisions to the site plan or elevations submitted will be available here as well. Once the request has been scheduled to a hearing the date of the hearing and staff report will also be available on the page. I have also copied the staff contact on this email.

Sincerely
Jeff
