A pre-application meeting will be scheduled with a project coordinator after submittal.

This checklist has been prepared to assist you in submitting a pre-application to the city of Scottsdale. At the pre-application meeting, a Project Coordinator will notify you of the items required for your formal project application.

### Pre-Applications

Most projects are required to go through the application and entitlement process, and many of those are required to go through one of four public hearing processes for approval. The first step is to submit a preliminary application ("pre-app") to allow staff to begin reviewing your request. A pre-app meeting is scheduled with a Project Coordinator, and will occur a few weeks after complete submittal. To process your pre-application in a timely manner, **the attached forms should be completed with all required materials attached**; this will help your meeting be productive and efficient.

### How to Submit

Present the attached pre-application forms and the required attachments for verification of completeness to the Planning & Development Services receptionist located in Suite 105 of One Civic Center (see map). Submit the entire packet of information, along with the \$\_\_\_\_\_ preliminary application fee, to the One Stop Shop. Make checks payable to "City of Scottsdale."

### Pre-Application Meeting

At the pre-application meeting, city staff highlights areas where you need to pay particular attention, and which, if any, public hearing process you will have to go through. The coordinator will look at:

- Zoning & Land Use
- Development Standards
- Neighborhood Impacts
- Open Spaces
- Outdoor Lighting
- Landscaping
- Building Design
- Security
- Streets
- Pedestrian Access
- Bikeways
- Transit
