

# CITY COUNCIL REPORT

Meeting Date: 06/13/2023  
 Charter Provision: *Provide for the orderly government and administration of the affairs of the City*  
 Objective: *Adopt Budgets*

## ACTION

### Truth In Taxation Hearing and Public Hearing on the Proposed FY 2023/24 Property Tax Levy

- 1) SOLICIT public testimony on the proposed fiscal year 2023/24 property tax levy, and
- 2) By a roll call vote, APPROVE a motion to levy the proposed property taxes, taxes to be assessed by ordinance on June 27, 2023.

## BACKGROUND

The Arizona State Constitution and State law specify a two-tiered property tax system. The system consists of two levies, a primary property tax levy and a secondary property tax levy. The primary property tax levy is imposed by cities and towns for all general municipal purposes, while the secondary tax levy is only used to retire the principal and interest or redemption charges on bond indebtedness.

Per Arizona Revised Statutes (A.R.S.) § 42-17104, a public hearing on any tax levy must be held at least 14 days prior to the actual levy of the tax. In addition, pursuant to A.R.S. § 42-17107 and the City Charter, if the proposed primary property tax levy (excluding growth) exceeds the prior year's primary property tax levy, a Truth In Taxation (TNT) hearing with more stringent guidelines would substitute for the regular property tax hearing. Additionally, a TNT hearing requires the governing body to consider a motion to levy the increased property taxes by a roll call vote. Since the FY 2023/24 proposed primary property tax levy (excluding growth) exceeds the FY 2022/23 primary property tax levy, the TNT hearing is required.

## ANALYSIS & ASSESSMENT

### Primary Property Tax Levy (General Fund and Risk Management Fund revenue) – Rate expected to increase:

The FY 2023/24 proposed primary property tax levy will be used to support General Fund activities such as police and fire protection, operation and maintenance of parks and libraries, and other general governmental functions. The primary property tax levy also includes a repayment to the Risk Management Fund reserve of \$2,201,944 for tort liability claim payments made during calendar year 2022.

Action Taken: SEE MARKED AGENDA - YES - 4/3, with Vice Mayor Littlefield and Councilmembers Graham and Janik dissenting

For FY 2023/24, the City's total proposed primary property tax levy of \$39.30 million is an increase of \$2.88 million over the current year levy of \$36.42 million. The increase is due to 1) tort liability claim payments; 2) the 2 percent statutory adjustment; and 3) new construction. The current primary property tax rate of \$0.4970 per \$100 of assessed valuation is projected to increase by \$0.0180 to \$0.5150 in FY 2023/24.

As required by A.R.S. § 42-17107 related to the Truth In Taxation Hearing, the City:

- 1) Published a Truth in Taxation Hearing Notice in the Arizona Republic on two separate dates:
  - Friday, May 26, 2023 and Saturday, June 3, 2023
- 2) Issued the Truth In Taxation press release prior to the June 13, 2023 Truth In Taxation Hearing and posted the press release to the City's website.

Additionally, as required by A.R.S. § 42-17103 related to Final Budget Adoption (including Proposed Tax Levies), the City published estimates of FY 2023/24 revenues and expenses and a Public Hearing Notice regarding the tax levies in the Arizona Republic once a week for two consecutive weeks on Wednesday, May 24, 2023 and Wednesday, May 31, 2023.

Further, as required by A.R.S. § 9-499.15, the City posted notice of the proposed tax levy increase with the schedule of the proposed increase and a written report that supports the proposed increase on April 27, 2023, which is 60 days before City Council will consider whether to adopt the ordinance fixing the levy (June 27, 2023).

**Secondary Property Tax Levy (GO Bond Debt Repayment) – Rate expected to increase:**

Under state law, cities and towns are allowed to levy a secondary property tax for the sole purpose of retiring the principal and interest on general obligation bonded indebtedness. A city or town may levy whatever amount of secondary property taxes is necessary to pay general obligation debt service (and fees related to the debt issuances). Secondary property tax is subject to limitation by the Arizona Constitution.

For FY 2023/24, the City's proposed secondary property tax levy is forecasted to increase \$5.53 million from the FY 2022/23 adopted budget of \$30.06 million to \$35.59 million due to use of accumulated fund balance in FY 2022/23 as a result of savings achieved through a prior year general obligation debt refinancing. The current secondary tax rate of \$0.4101 is expected to increase by \$0.0563 to \$0.4664 per \$100 of assessed valuation in FY 2023/24.

The FY 2023/24 Secondary Property Tax levy was calculated to ensure the reserve meets the required limitation prescribed in A.R.S. § 35-458(A) – that the levy be net of all cash in excess of 10 percent of the annual payments of principal and interest in the current fiscal year from the previous year remaining in the fund or funds prescribed by A.R.S. § 35-458(B).

**Combined Property Tax Levy and Taxpayer Impact:**

The combined tax levy is the aggregate of the primary and secondary levies. For FY 2023/24, the City's total proposed combined property tax levy is forecasted to increase over the current year by approximately \$8.41 million from \$66.48 million in FY 2022/23 to \$74.89 million in FY 2023/24.

In FY 2023/24, citizen tax bills will reflect an estimated combined property tax rate of \$0.9814, which is \$0.0743 more than the FY 2022/23 combined rate of \$0.9071. The management of the combined property tax rate is included in the City’s adopted financial policies for debt management, which states that the combined tax rate will not exceed \$1.50 per \$100 of assessed value. Based on this combined rate, an owner of a home with a County Assessor’s real property assessed value of \$100,000 will pay approximately \$98.41 in City property taxes, applying the proposed combined property tax rate. The Maricopa County Assessor’s Office, not the City of Scottsdale, determines real property assessed values used to calculate property tax bills.

About ten cents of every dollar in property taxes paid by Scottsdale property owners goes to City government and City General Obligation debt repayment, and the remainder goes to public schools, the county, community colleges and various special districts.

**RESOURCE IMPACTS**

For FY 2023/24, the proposed combined property tax rate is estimated at up to \$0.9814 and the combined levy of up to approximately \$74.89 million is detailed by tax tier and fund below:

Tax Tier	Estimated Tax Rate	General Fund*	Risk Management Fund*	Debt Service Fund*	Total Property Tax Levy*
Primary	\$0.5150	\$37.10	\$2.20	-	\$39.30
Secondary	\$0.4664	-	-	\$35.59	\$35.59
Combined	\$0.9814	\$37.10	\$2.20	\$35.59	\$74.89

For comparison, the current FY 2022/23 property tax rate and levy and the FY 2023/24 proposed property tax rate and levy are below:

Tax Tier	FY 22/23 Tax Rate	FY 22/23 Tax Levy*	FY 23/24 Est. Tax Rate	FY 23/24 Est. Tax Levy*
Primary	\$0.4970	\$36.42	<i>Up to \$0.5150</i>	<i>Up to \$39.30</i>
Secondary	\$0.4101	\$30.06	<i>Up to \$0.4664</i>	<i>Up to \$35.59</i>
Combined	\$0.9071	\$66.48	<i>Up to \$0.9814</i>	<i>Up to \$74.89</i>

\*Note: \$ in millions; rounding differences may occur.

## OPTIONS & STAFF RECOMMENDATION

---

### Recommended Approach

Staff recommends that City Council discuss all components (including consideration of any taxpayer input) of the total, combined FY 2023/24 proposed property tax levy and corresponding tax rate and then, by roll call (as required by Arizona State Statute), approve a motion to levy the proposed taxes and to fix the levy by ordinance at the June 27, 2023 Council meeting (Arizona State law requires a period of at least fourteen days between the Truth In Taxation hearing and public hearing on the tax levy and adoption of the tax levy).

As an alternative, at the June 27, 2023, City Council meeting, City Council may choose to approve a motion adopting a lesser tax levy.

# TRUTH IN TAXATION HEARING NOTICE OF TAX INCREASE

In compliance with section 42-17107, Arizona Revised Statutes, the City of Scottsdale is notifying its property taxpayers of Scottsdale's intention to raise its primary property taxes over last year's level. Scottsdale is proposing an increase in primary property taxes of \$2,274,290 or 6.24 percent.

For example, the proposed tax increase will cause Scottsdale's primary property taxes on a \$100,000 home to be \$51.50 (total proposed taxes including the tax increase). Without the proposed tax increase, the total taxes that would be owed on a \$100,000 home would have been \$48.47.

This proposed increase is exclusive of increased primary property taxes received from new construction. The increase is also exclusive of any changes that may occur from property tax levies for voter approved bonded indebtedness or budget and tax overrides.

All interested citizens are invited to attend the public hearing on the tax increase that is scheduled to be held on Tuesday, June 13, 2023, at 5:00 p.m., at the City of Scottsdale City Hall Kiva, 3939 N. Drinkwater Blvd., Scottsdale, Arizona.

The meeting will also be broadcast electronically through Cox Cable Channel 11 and streamed online at [ScottsdaleAZ.gov](https://www.scottsdaleaz.gov) (search "live stream"). Please check the City Council website at <https://www.scottsdaleaz.gov/council/meeting-information/agendas-minutes> for the specific agenda for this meeting and the latest updates regarding meetings and the opportunity for public participation and comment at this meeting.

**For immediate release, May 25, 2023**

Kelly Corsette, communications & public affairs director, office: [480-312-2336](tel:480-312-2336), mobile: [602-359-5965](tel:602-359-5965)

## City of Scottsdale “Truth in Taxation” notice

This “Truth in Taxation” hearing notice regarding the City of Scottsdale primary property tax levy is being published as required by Arizona state law in the Arizona Republic on Friday, May 26, 2023 and Saturday, June 3, 2023.

A public hearing on Scottsdale’s proposed property tax levy will occur before final budget adoption, scheduled at 5 p.m. Tuesday, June 13, 2023, at Scottsdale City Hall, 3939 N. Drinkwater Blvd.

Meetings are broadcast electronically through Cox Cable Channel 11 and streamed online at [ScottsdaleAZ.gov](https://www.scottsdaleaz.gov) ([search “live stream”](#)). To find the agenda for this meeting and information about the opportunity for public participation and comment, visit [ScottsdaleAZ.gov](https://www.scottsdaleaz.gov) and search “City Council agenda”.

The City of Scottsdale plans to increase its proposed primary property tax levy \$2,274,290 (exclusive of new construction) due to tort liability claim payments and the 2 percent statutory adjustment. The proposed primary property tax rate is increasing from \$0.4970 per \$100 of assessed valuation to \$0.5150 in Fiscal Year 2023/24.

The city’s proposed secondary property tax levy will increase \$5.5 million due to use of accumulated fund balance in FY 2022/23 as a result of savings achieved through a prior year general obligation debt refinancing, and the current secondary tax rate of \$0.4101 is expected to increase by \$0.0563 to \$0.4664 per \$100 of assessed valuation in FY 2023/24.

In Fiscal Year 2023/24, citizen tax bills will reflect a proposed combined property tax rate of \$0.9814, which is \$0.0743 more than the Fiscal Year 2022/23 combined rate of \$0.9071.

### Where do your property taxes go in Scottsdale?

**Schools/Education - \$0.71**

**Maricopa  
County  
\$0.13**

**Special  
Districts  
\$0.06\***

**City  
Primary  
Tax  
\$0.05**

**City  
Secondary  
Tax  
\$0.05**

Primary property taxes are used by the City of Scottsdale to pay for city services and operational expenses and comprise about 10 % of Scottsdale’s General Fund operating budget.

Secondary property taxes based on limited assessed property values are restricted to pay debt service on voter-approved general obligation bonds for such things as parks, libraries, streets, and police/fire stations.

\*Excludes street lighting districts, which vary by geographical location, types of lights, and City vs. HOA ownership.

About 10 cents of every dollar in property taxes paid by Scottsdale property owners goes to the city, the remaining 90 cents goes to public schools, Maricopa County, community colleges and various special taxing districts. And of the 10 cents of every dollar paid by Scottsdale property owners, 5 cents goes to support voter approved bond programs.

The amount of property tax paid is based on two factors: the tax levy set by the city and the assessed valuation of the property (as determined by the county).

The City Treasurer's Office at 480-312-2427 can answer questions regarding the city property tax levy or other budget issues.

### **Truth in Taxation Hearing: Notice of Tax Increase**

In compliance with section 42-17107, Arizona Revised Statutes, the City of Scottsdale is notifying its property taxpayers of Scottsdale's intention to raise its primary property taxes over last year's level. Scottsdale is proposing an increase in primary property taxes of \$2,274,290 or 6.24 percent.

For example, the proposed tax increase will cause Scottsdale's primary property taxes on a \$100,000 home to be \$51.50 (total proposed taxes including the tax increase). Without the proposed tax increase, the total taxes that would be owed on a \$100,000 home would have been \$48.47.

This proposed increase is exclusive of increased primary property taxes received from new construction. The increase is also exclusive of any changes that may occur from property tax levies for voter approved bonded indebtedness or budget and tax overrides.

All interested citizens are invited to attend the public hearing on the tax increase that is scheduled to be held on Tuesday, June 13, 2023, at 5:00 p.m., at the City of Scottsdale City Hall Kiva, 3939 N. Drinkwater Blvd., Scottsdale, Arizona.

The meeting will also be broadcast electronically through Cox Cable Channel 11 and streamed online at [ScottsdaleAZ.gov](https://www.scottsdaleaz.gov) (search "live stream"). Please check the City Council website at <https://www.scottsdaleaz.gov/council/meeting-information/agendas-minutes> for the specific agenda for this meeting and the latest updates regarding meetings and the opportunity for public participation and comment at this meeting.

(3) Total city tax rate	<u>0.9071</u>	<u>0.9814</u>
B. Special assessment district tax rates		

Special Assessment District Tax Rates - As of the date the final budget was prepared, the city was operating 355 special assessment districts (streetlight improvement districts) for which property taxes are levied. The proposed streetlight property tax levy for fiscal year 2023/24 is \$494,979. On February 14, 2023 the Scottsdale City Council formed two new streetlight improvement districts. These new districts are waiting to become official from the State of Arizona and Maricopa County and are therefore not included in the streetlight improvement districts levy. For information pertaining to special assessment districts and their tax rates/levy, please contact the City of Scottsdale City Treasurer Division.

\*Includes actual property taxes collected as of the date the final budget was prepared, plus estimated property tax collections for the remainder of the fiscal year.

We all know that levies very quickly become a permanent feature. With a cost of living crisis caused by profligate govt spending, now is not the time to be funneling yet more more to the maw of government.

I am opposed to a new increase of the property tax. A large increase in tax income comes in to the city via higher prices and new homes in the city. You dont need more GF money.

COMMENT

Thank you for your service. Please vote down any tax increases. We cannot afford more tax increases. It is far better for our city to have the council to reign in it's public spending, than it is to lay additional burdens on longtime, and new residents. There are plenty of programs that residents at large would be willing to let go. Keep Scottsdale the best place to live in the valley. Get your financial house in order.

I will be watching closely this vote, so I know how to vote in the next cycle.

Thanks, Ryan N

#### Comment

COMMENT Vote No on any new taxes. People are struggling with affording basic necessities due to the highest

inflation in 4 decades. Some analysts are calling for a recession worse than 2008. Our area has some of the highest gas prices in the US. This is the last thing families and seniors need.

## Comment

COMMENT

I completely oppose any additional tax increases that further burden any small business owner in Scottsdale. How is it possible that we are discussing additional taxes during this horrific economy in large part brought on by feckless leadership and draconian tax burdens? Allow the citizens of Scottsdale to be free from additional financial burdens in the form of unreasonable and unsuccessful tax increases.

## Comment

COMMENT

PLEASE DO NOT RAUSE TAXES ON US! You were voted into office to do what the people who you represent request. We DO NOT and HAVE NOT requested or want an increase of taxes! We want Scottsdale to be managed within its existing budget. Just like we must manage our own budgets.

Increasing taxes will have the opposite effect than is wanted. Instead of raising more money, it will cause more people to leave Scottsdale. It will become a city of waste and decay instead of the once thriving city it was. Stop the destruction of our city now!

## Comment

COMMENT

As a resident of Scottsdale we are Tax enough already! There are many retired seniors in Scottsdale, and we pay more than enough for sales tax and property tax. This is not the issue of liberal or conservative values. This concerns, all residents and their affordability and ability to survive during these hard times.

#21 - Our taxes are high enough. In this time of high inflation we should keep taxes as low as possible.

#25 - We do not need to restrict our roadways. The population is increasing. We need more and better roads , not restricted ones.

# 00 - We need our cars and good roads to get to work and shop. Arizona weather and age of population are not conducive to riding on bicycles or waiting for buses.

## Comment

COMMENT

I can't afford another tax increase. A tax increase on a fixed income is a financial hardship.

COMMENT My comments relate to Agenda #21 -We cannot afford another tax increase on top of highest gas prices in the country and on agenda #25 - NO to

Road Diet's. How many people, comments and complaints do you need to recognize that the voters do NOT want this? Listen to us, the people who pay your salaries. NO to Road Diets! We have enough mass transit, we need roads for our cars! Do not harm our small. business owners with your road diets!

COMMENT Item #21 regarding tax increases. I am please asking you to NOT vote for a tax increase.

Residential Property Taxes have gone up already steadily almost every year. Before the Scottsdale city markers were changed about 1 or 2 years ago, the slogan next to Scottsdale was "the most livable city". When taxes keep increasing, it makes it hard to be the most livable city. Please find a way to not increase our taxes. I appreciate your consideration. There is already a significant tax amount assessed on each homeowners property. Please consider reallocating the existing taxes to meet the needs. Please give the residents of Scottsdale a break, and do not increase our taxes. Thank you.

COMMENT Please do not raise our property taxes! I am against item#21. Please vote No! Do not raise our property taxes.

Item#25 Please vote against the Road Diet on Thomas Rd, 56th St to 73rd. Protect small businesses and vote NO. Haven't small businesses already been through enough with the closures during the pandemic? Give them a break. We want to keep our cars! Please keep us free in Arizona. We do not want limits and restrictions on our road ways! Bicycles riding along side cars in a bike lane, is very dangerous. We know it does exist in places. But if you are honest, you might sense a little apprehension while driving next to a bicycle in traffic. I am for bicycles and exercise, but I am also for safety! Middle school and high school students could be riding in those bike lanes? Think about it, we MUST slow down next to schools because of safety for the children to 15mph. Why do we slow down near schools with students, then why do we allow them to ride on a street going 40mph next to cars? The same students? It doesn't make sense. If there is danger for a young person near school and the law makes us slow down to 15mph, why would they be allowed to ride next to 40mph cars and it is okay? It doesn't make sense. Please make sense when you vote today. Please No on #21 - no raise in taxes and No on #25 no diet lane on Thomas Rd. Thank you for your consideration!
