23. GRANTEE agrees not to use grant funds for food and/or beverage unless explicitly approved in writing by the COMMISSION.

24. No funds shall be used to supplant federal, state, county or local funds that would otherwise be made available for such purposes. Supplanting means the deliberate reduction of state or local funds because of the existence of any grant funds.

25. GRANTEE assigns to the COMMISSION any claim for overcharges resulting from antitrust violations to the extent that such violations concern materials or services applied by third parties to GRANTEE in exchange for grant funds provided under this Agreement.

26. The parties agree to use arbitration in the event of disputes in accordance with the provisions of A.R.S. § 12-1501-12-1518. The laws of the State of Arizona apply to questions arising under this Agreement and any litigation regarding this Agreement must be maintained in Arizona courts, except as pertaining to disputes which are subject to arbitration.

I. In the event of a dispute, controversy, or claim arising out of or relating in any way to the Agreement, the complaining Party shall notify the other Party in writing thereof. Within 30 calendar days of such notice, representatives of both Parties shall meet at an agreed location to attempt to resolve the dispute in good faith. II. The arbitration demand must be a clear and concise statement of the claim or dispute. The respondent's answer and any counterclaims must be filed within 20 calendar days of service of the demand.

III. The arbitration shall be conducted in Maricopa County.

IV. The arbitration shall be conducted by one arbitrator. If the Parties are not able to agree upon the selection of an arbitrator, within 20 calendar days of the commencement of an arbitration proceeding by service of a demand for arbitration, the court on application of a Party shall appoint the arbitrator.

V. The arbitrator must promptly set a conference to clarify the claims and defenses, to establish fair procedures, and to set a schedule for completing the arbitration.

VI. It is the intent of the parties that, barring extraordinary circumstances, arbitration proceedings will be concluded with 120 calendar days from the date the arbitrator is appointed. The arbitrator may extend the time limit in the interests of justice. Failure to adhere to this time limit shall not constitute a basis for challenging the award.

VII. The arbitrator must issue a written, reasoned award within 20 calendar days from the date the hearing is formally closed, or as soon after that as is feasible. The sole remedy will be actual damages; no punitive damages are allowed.

VIII. Unless the arbitrator orders otherwise, the Parties must share arbitration costs equally, including arbitrator's fees and expenses. Each party must pay its own expenses and attorney's fees.

27. GRANTEE understands that grant funds may not be released until all delinquent reports and reversion of funds from prior grants are submitted to the COMMISSION.

28. GRANTEE agrees that grant funds are not to be expended for any indirect costs that may be incurred by GRANTEE for administering these funds unless explicitly approved in writing by the COMMISSION. This may include, but is not limited to, costs for services such as accounting, payroll, data processing, purchasing, personnel, and building use which may have been incurred by the GRANTEE.

29. GRANTEE understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

30. Each party (as "Indemnitor") agrees to defend, indemnify, and hold harmless the other party (as "Indemnitee") from and against any and all claims, losses, liability, costs, or expenses, (including reasonable attorney's fees) (hereinafter collectively referred to as "Claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such Claims which result in vicarious/derivative liability to the Indemnitee are caused by the act, omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. If the GRANTEE is a State agency, board, commission, or university of the State of Arizona, this paragraph shall not apply.

31. Should GRANTEE utilize a contractor(s) and subcontractor(s) the indemnification clause between GRANTEE and its contractor(s) and subcontractor(s) shall include the following:

Contractor shall defend, indemnify, and hold harmless the GRANTEE and the State of Arizona, and any jurisdiction or agency issuing any permits for any work arising out of this Agreement, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the contractor or any of the directors, officers, agents, or employees or subcontractors of such contractor. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by such contractor from and against any and all claims. It is agreed that such contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Additionally on all applicable insurance policies, contractor and its subcontractors shall name the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as an additional insured and also include a waiver of subrogation in favor of the State. Insurance requirements for any contractor used by GRANTEE are incorporated herein by this reference and attached to this Agreement as Exhibit "A".

32. GRANTEE agrees to notify the COMMISSION within ten (10) days in the event that the project official is replaced during the award period.

33. No rights or interest in this Agreement shall be assigned by GRANTEE without prior written approval of the COMMISSION.

34. GRANTEE agrees that no funds provided, or personnel employed under this Agreement shall be in any way, or to any extent, engaged in conduct of political activities in violation of USC Title 5, Part II, Chapter 15, section 1502.

35. GRANTEE certifies that it presently has no financial interest and shall not acquire any financial interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Agreement.

36. GRANTEE agrees to cooperate and participate with any and all assessments, evaluation efforts or information and data collection requests, and acknowledges that the federal or state grantor agency has the right to obtain, reproduce, publish or use data provided under this award and may authorize others to receive and use such information.

37. GRANTEE shall provide the COMMISSION with a copy of all interim and final reports and proposed publications (including those prepared for conferences and other presentations) resulting from this Agreement. Submission of such materials must be prior to or simultaneous with their public release.

38. GRANTEE agrees to comply with the non-discrimination requirements of the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 34 U.S.C. § 10228(c); the Victims of Crime Act of 1984, as amended, 34 U.S.C. § 20110(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 34 U.S.C. § 11182(b); and VAWA, as amended, 34 U.S.C. § 12291(b)(13), contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment. An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOC (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)). If in the three years prior to the date of the grant award a Federal or State Court or Federal or State administrative agency makes a finding of discrimination after a due process hearing against GRANTEE, GRANTEE will forward a copy of the findings to the Office for Civil Rights, Office of Justice Programs and the COMMISSION.

39. GRANTEE agrees to participate in any required civil rights related training to ensure compliance with all federal and state civil rights laws. GRANTEE will inform the COMMISSION of the position responsible for civil rights compliance and will inform the COMMISSION of change in personnel responsible for civil rights compliance within ten days. **Link:** <http://www.azcjc.gov/grants>.

40. GRANTEE assures that it will comply with all state and federal laws regarding privacy during the course of the award. All information relating to clients is to be treated with confidentiality.

41. To support public safety and justice information sharing, GRANTEE, if a governmental subdivision, shall use the National Information Exchange Model (NIEM) specifications and guidelines for this grant. GRANTEE shall publish and make available without restrictions all schemas generated as a result of this grant to the component registry as specified in the guidelines. **Link:** <https://www.niem.gov>.

42. To avoid duplicating existing networks or IT systems in any initiatives for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless GRANTEE can demonstrate to the satisfaction of the COMMISSION that this requirement would not be cost beneficial or would impair the functionality of an existing or proposed IT system.

43. If GRANTEE is a governmental political subdivision, GRANTEE should, to the extent possible and practical, share criminal justice information with other authorized criminal justice agencies. The process control number (PCN) shall be used in accordance with A.R.S. § 41-1750 when sharing data with other criminal justice agencies as electronic data systems are developed or improved.

44. If GRANTEE is a state agency and the award is for the development of information technology projects for more than \$25,000, GRANTEE must complete a Project Investment Justification (PIJ) and submit the justification to the Arizona Department of Administration (ADOA), with a copy to the COMMISSION. GRANTEE agrees to submit required project status reports to ADOA by the due dates and submit copies to the COMMISSION.

If GRANTEE is not a state agency and the award is for the development of information technology projects, GRANTEE will follow local technology policies and guidelines.

45. GRANTEE agrees to complete and keep on file, as appropriate, Immigration and Naturalization Form (I-9). This form is to be used by recipients to verify that persons are eligible to work in the United States. Additionally GRANTEE ensures compliance with A.R.S. § 41-4401.

All certificates required by this Contract shall be sent directly to the Department. The State of Arizona reserves the right to require complete copies of all insurance policies required by this Contract at any time.
