Meeting Date: 06/23/2026
Charter Provision: *Provide for the orderly government and administration of the affairs of the City*
Objective: *Adopt Budgets*

ACTION

Fiscal Year 2026/27 Municipal Streetlight Improvement District Property Tax Levy.

Adopt Ordinance No. 4715 assessing the fiscal year 2026/27 Municipal Streetlight Improvement District property tax levy, by district, in accordance with Arizona Revised Statutes and the City Charter.

BACKGROUND

The City's Streetlight Improvement Districts (Districts) were established beginning in 1971 to allow taxpayers residing in the benefiting area to pay for the operation of streetlights. The City currently has 357 Districts formed by petition of property owners for the sole purpose of purchasing electricity for the lighting of public streets.

Arizona Revised Statutes (A.R.S.) § 48-616 requires the City Council to make annual statements and estimates of District expenses and to adopt an ordinance levying a Special Taxing District property tax sufficient to pay the operating expenses of each District. The ordinance is transmitted to the Maricopa County Board of Supervisors and the Maricopa County Assessor to add the required amounts to property tax bills. When collected, levy amounts are remitted to the City and used to pay District utility bills.

For fiscal year 2026/27, the streetlight levies are calculated based on estimated energy costs. The proposed property tax levies for all Districts total \$642,566, an increase of \$64,140 from fiscal year 2025/26. Pursuant to A.R.S. § 48-616, no assessment exceeds \$1.20 per \$100 of assessed valuation.

As required by A.R.S. § 42-17103 *et seq.*, notice of a public hearing was published as required by law, and a public hearing was held on June 9, 2026, prior to final adoption of the fiscal year 2026/27 budget. At that hearing, the City Council approved a motion to adopt the proposed Streetlight Improvement District property tax levy, by District, to be assessed by ordinance on June 23, 2026. At the same meeting, the City Council adopted the annual statements and estimates of District expenses.

The City also posted and filed with the City Clerk a notice of the proposed increased District property tax levy, including the schedule of the tax levy and supporting written report, on April 22, 2026, which is 60 days prior to consideration of this ordinance. The City additionally posted a notice of intent to increase the Districts' tax levy on its website and distributed the notice through electronic communication tools at least 15 days prior to consideration of this ordinance.

ANALYSIS & ASSESSMENT

The cost of operating each District varies based on electricity rates, usage, and the number of streetlights. Electrical service is provided by either Salt River Project or Arizona Public Service, each with differing rates. As a result, property taxes levied differ by District. A total of 357 separate property tax calculations are required, representing approximately 33,970 properties.

Adoption of Ordinance No. 4715 will assess the approved Streetlight Improvement District property tax levy of \$642,566, supporting the Adopted Fiscal Year 2026/27 Budget.

RESOURCE IMPACTS

Utility bills for the Districts are paid by the property tax levy. The levy request for fiscal year 2026/27 is \$642,566.

OPTIONS & STAFF RECOMMENDATION

Recommended Approach:

A.R.S. § 48-616 and the City Charter require the City Council to make annual statements and estimates of District expenses and to adopt an ordinance annually to levy the tax needed to recoup streetlight operating costs.

Staff recommends adopting Ordinance No. 4715 to allow the City to continue supporting the current service level to property owners.
