BACKGROUND

General Plan

The General Plan Land Use Element designates the property as Rural Neighborhoods within the Shea Corridor Overlay. This category includes single-family residences.

Character Area Plan

The Shea / East Shea Character Area Plan designates the property as residential.

Zoning

The site is zoned Single-family residential (R1-43). The R1-43 zoning district(s) allows for single-family residences. The surrounding properties are zoned similarly; R1-43, R1-43 PRD and R1-43 PCD.

Context

The subject 30- and 25-foot rights-of-way were dedicated to the city in 1980. The rights-of-way were never developed as roads and are indistinguishable from the applicant's property. The subject property is located in the northwest corner of North 114th Street and East Gold Dust Avenue alignments (two undeveloped roads) and is currently accessed from an ingress/egress easement connecting the northwest corner of the property to East Beryl Avenue. The property borders the Montana Vistas residential subdivision (R1-43 PRD) to the west and north, the Mirage Crossing subdivision (R1-43 PCD) to the east, and unsubdivided E. Arabian Park Drive neighborhood to the south (R1-43). Please refer to context graphics attached.

The owner's intent for this abandonment is to remove the required front yard setbacks along the southern and eastern property boundaries. With approval of this right-of-way abandonment the southern and eastern property boundaries will become rear and side yards, respectively. This will allow the owner to install a screen wall with a height greater than 3 feet along the required drainage easement, to prevent wildlife from accessing the remainder of the property.

IMPACT ANALYSIS

Land Use

The existing residential use is in conformance with the General Plan designated land use for this site. The request will not modify the existing land use.

Traffic/Trails

Access to the development is provided by a 25-foot ingress/egress easement on adjacent parcel 11335 E Beryl Avenue (APN: 217-33-094) to the west.

An unpaved trail is located along the northern 15 feet of the adjacent properties to the south, within an equestrian easement. There are no planned trails for the rights-of-way associated with this abandonment request.

Emergency/Municipal Services and Utilities

All existing emergency and municipal access will be provided to the properties surrounding the abandonment area and maintained through existing, dedicated, public right-of-way along E. Beryl Avenue and N 114th Street. No negative impacts are anticipated; the dedication of the cul-de-sac will improve emergency service access/circulation.

Public Utilities

The public utilities have been notified of the applicant's request. The utility companies have indicated that there are no conflicts with the proposed abandonment and expressed support for the abandonment request.

Community Involvement

The applicant sent notification to all neighboring property owners of the subject parcel. As of the writing of this report, staff has received public comments with concerns about the abandonment, one (1) email two (2) phone calls.

Community Impact

No community impact is anticipated as a result of the requested right-of-way abandonment within the scope of this application.

Policy Implications

The compensation amount has been compiled by City of Scottsdale staff in accordance with abandonment evaluation procedure. The valuation methodology is prepared as if the land is available for development at its highest and best use under the current zoning designation.

The owner of the parcel has agreed to pay the city the total amount of \$7,702.50 as the compensation amount for the abandonment of rights-of-way, in addition to any other amounts payable to City. Additionally, the owner shall dedicate a 50-foot radius cul-de-sac over the northeast corner of the parcel and a drainage easement along the southern portion of the parcel.

OTHER BOARDS AND COMMISSIONS

Planning Commission:

Planning Commission heard this case on January 28, 2026 and recommended approval with a vote of 5-1.

Recommended Approach:

Staff recommended that the Planning Commission find that the proposed abandonment is consistent and conforms with the adopted General Plan.

STAFF RECOMMENDATION

Recommended Approach:

Adopt Resolution No. 13595 to abandon the 25-foot and 30-foot rights-of-way, finding that the proposal is consistent with and conforms to the adopted General Plan, subject to the following:

1. The property owner dedicate 50-foot cul-de-sac right-of-way or the northeast corner of the property, and a drainage easement along the southern boundary of the property, where necessary.
2. The property owner pay to the city the combined total amount of \$7,702.50 as compensation for the abandonment of rights-of-way.

Date: October 30th, 2025

Subject: Application Narrative for Project No. 798-PA-2020
11345 E Beryl Ave, Scottsdale, AZ 85259

To whom it may concern:

This narrative serves as a reasoning of request for the proposed removal of an existing 25 ft and 30 ft right-of-way easement and modification of an existing 40 ft drainage easement within the subject property located at 11345 E Beryl Ave, Scottsdale AZ, 85259. See **attachment A** for the modified proposed drainage easement location.

The subject lot contains an existing residential house with a drainage easement that exist along the south boundary of the lot, north of the right of way. A graded drainage channel exists at the south boundary of the channel, however, under current conditions the drainage channel is located outside of the drainage easement and within the existing right of way. The project proposes to remove the existing right of way at the south of the property, as it deemed no longer needed, leave the existing drainage channel as is, and modify the existing drainage easement to properly cover the drainage channel. Additionally, a screen fence is proposed along the drainage easement to prevent animals from crossing over from the south portion of the property. The screened fence will still allow for storm water to flow through and not disturb any existing drainage patterns.

Proposed compensation for the abandonment request should be 50 cents per sf per the real estate department. Proposed compensation is 15,405 sf of abandonment = \$7,702.5.

RESOLUTION NO. 13595

A RESOLUTION OF THE COUNCIL OF THE CITY OF SCOTTSDALE, MARICOPA COUNTY, ARIZONA ABANDONING, SUBJECT TO CONDITIONS AND RESERVATIONS, CERTAIN INTERESTS IN A PORTION OF THE PUBLIC RIGHTS-OF-WAY FOR PROPERTY LOCATED AT 11345 E. BERYL AVENUE.

**(6-AB-2024)
(114th St. Abandonment)**

WHEREAS:

A. A.R.S. Sec. 28-7201, et seq. and A.R.S. §9-500.24 provide that a city may dispose of a public roadway or portion thereof that is no longer necessary for public use.

B. Scottsdale Revised Code §2-221 and other applicable laws provide that the City may dispose of other real property interests.

C. After notice to the public, the City of Scottsdale Planning Commission and City Council have held hearings on the proposed abandonment of a certain portion of the street right-of-way and other interests (collectively the "Abandonment Rights-of-way").

D. The Abandonment Rights-of-way are legally described on Exhibit "A" and depicted on Exhibit "B" attached hereto, and comprise an area of approximately 15,405 square-feet.

E. The Abandonment Rights-of-way fall within, serve, affect or are near a parcel comprising approximately 1.65 acres ("Owner's Parcel"), as depicted on Exhibit "C" attached hereto.

F. The Council finds that, subject to the conditions, requirements, reservations and limitations of this resolution, the Abandonment Rights-of-way are no longer necessary for public use.

G. The Council has considered the City expenditure, if any, authorized by this resolution and the direct consideration that City will receive and finds that there is a clearly identified public purpose for City's expenditure, if any, and that City will receive direct consideration substantially equal to its expenditure.

H. The Council finds that consideration and other public benefit commensurate with the value of the interests in the Abandonment Right-of-way being abandoned, giving due consideration to its degree of fragmentation and marketability, will be provided to City by the owners of the abutting property.

NOW, THEREFORE, BE IT RESOLVED by the city council of the City of Scottsdale, Arizona, as follows:

1/27/2026 Re: Case #: 6-AB-2024, 114th St. Abandonment We are residents of the Montana Vista subdivision and live on the same street where the proposed project is located. We have a concern regarding the owners' plans for the use of the property. We noticed that there are currently around 12 recreational vehicles that are parked on the property. Our concern is that the property may be used, now or in the future, for commercial purposes, e.g. a storage lot for recreational and other vehicles. If this is the case, the proposed cul-de-sac could assist in facilitating and possibly expanding the commercial use of a lot that is zoned for single-family residential use, and we feel that the request should be denied. If the owners provide assurance that the lot will not be used, now or in the future, for commercial purposes, we would have no objection to the project. Thank you for providing us with the opportunity to provide feedback on this issue. Tom and Linda Dunlavy 11262 E. Beryl Ave.
