Subject: RE: Rezoning @ 13647N. 87th Street, Case Number: 10ZN-2021
Date: Tuesday, April 26, 2022 9:33:43 AM

Good Morning,

Thank you for reaching out to the Mayor and Council offices regarding Rezoning Case No. 10-ZN-2021 with your input prior to the discussion on this topic. Project Coordinator, Jeff Barnes, is copied on this email and can include your comments in the case file. The Planner will add your correspondence to the case file to be included as part of the public record. The planner will also forward your message to the applicant, so they too are aware of your concerns. Please reach out to the Planner if you have further questions or concerns.

For more information on the rezoning at 13647 N 87th Street, 10-ZN-2021, the case info sheet can be found here: [City of Scottsdale - Case Info Sheet \(scottsdaleaz.gov\)](#).

Respectfully,

Rebecca Kurth

Management Assistant to the Mayor and City Council
Office of Mayor David D. Ortega

Dear Mayor, Vice Mayor and City Council Members,

I agree with everything that Mark Speno has pointed out. Another concern that I have is that VRBOs have been popping up in our neighborhood, and this property under dispute is more than likely going to be turned into one. I cannot imagine that the

architect (lot owner) would give up where he lives now to live next to a freeway.

This home that the lot owner proposes to build does not represent any of the homes in the area and would set a precedent for other homeowners to split up their lots changing the character of our neighborhood for the worse. Also, the noise factor would be raised if lots were to continue to split throughout the neighborhood.

Very Sincerely,
Nan Currie-White

Dear Mayor, Vice Mayor and City Council members,

I am out of town and will be unable to attend this hearing rescheduled for scheduled April 26th. I wish to go on the record that my position has not changed and respectfully urge you to protect our neighborhood by voting against this rezoning application.

As you know, this case was supposed to be heard by your City Counsel on March 29 but rescheduled due to a request for continuance by the Applicant just FOUR HOURS before it was to take place. Mr. Richert pulled the exact same tactics with the first schedule Planning Commission hearing (and later voted 5-2 against). This was another transparent and blatant attempt by Mr. Richert to disrupt the momentum our community has gathered in opposition of Mr. Koo's ambitions to deconstruct the zoning precedence that was set in McDowell Shadow Estates more than 30 years ago.

Here is also a link to the testimony I provided to the City Planning Commission on March 23rd.
<https://www.youtube.com/watch?v=BZYHvELW-Cg>

I believe my testimony and email below speaks to the sentiments of the 50+ homeowners (and voters) of the McDowell Shadow Estates community.

Respectfully,

Mark Speno

Dear Mayor, Vice Mayor, City Council members:

I am writing to express my strong objection to the rezone efforts of the vacant lot located at 13647 N. 87th Street, Case Number: 10ZN-2021.

This has been going on since 2013 when Mr. Koo came into the neighborhood as a real estate speculator and, with full knowledge of the parcel's current zoning and limitations, has relentlessly pursued a campaign of altering the face of our neighborhood. The Scottsdale City Planning Commission, in two separate hearings (one in 2013 and the other just this last February), overwhelmingly agreed with local homeowners and denied these ambitions. Now he and his high paid consultant, David Richert are asking you to override the sound decisions of your own Planning Commission.

Our neighborhood of 50+ homeowners (and voters) is united against this rezone attempt for both the

precedence that it will set for future development and for the unusual structure he intends to build on the site. In short, this will ruin our community by igniting a frenzy of lot splits and allow for an albatross of a structure that will not be commensurate with current homes in the area.

Here are the relevant facts that support my objection:

WHAT THE REZONE WILL DO:

According to The City of Scottsdale's own website

(see: <https://www.scottsdaleaz.gov/AssetFactory.aspx?did=29844>)

Our current zoning of R1-35 requires a minimum of 35,000 square feet with a limitation of 1-dwelling and "results in a low density of population. The proposed rezone to R1-10 allows for 1-dwelling per 10,000 square feet plus "permits a higher density of population".

Approval of Mr. Koo's request will instantly set precedence and encourage every property owner and future property owner within the McDowell Shadows Estates community to split their lot into THREE OR MORE SEPARATE LOTS.

MR. KOO'S WANTS TO BUILD A STRUCTURE UNLIKE ANY IN THE NEIGHBORHOOD:

1. Mr. Koo proposes to build a 2-story home in a community where no 2-story structures exist.
2. It will be the only home in the neighborhood built on a flag lot.
3. A sensitive water retention basin blocks the entrance of the site and Mr. Koo proposes to build a bridge over this basin in a community where no bridges exist.
4. This lot provides for zero street frontage. Presumably, guests would have to park on his "bridge" or in front of another neighbor's home.
5. The front door of his proposed home will not be visible from the street.

This has been a frustrating battle from the very beginning. In addition to the facts stated above, we have had to deal with numerous misrepresentations and manipulations by Mr. Richert who has played games with posting of notifications at the site in an effort to deter a vocal community from participating in the approval process. He made false and unsubstantiated claims to the Planning Commission that this small vacant lot requires development because it has contributed to crime in the area (we have no crime problem). He made false representations in front of 40+ homeowners who attended a site meeting (all of which expressed their objection to the rezone) that their objections were not unanimous because he lives in our neighborhood as well and doesn't object (he lives several miles outside McDowell Shadows Estates).

I am asking that you finally put an end to this nonsense and preserve the integrity of our community. Please respect and follow the expert understanding and guidance of our Planning Commission.

Sincerely,

Mark Speno
