

CITIZEN REVIEW & NEIGHBORHOOD INVOLVEMENT REPORT

Greenbelt 88 at Hayden and Osborn roads

Updated July 27, 2021

Overview

This Citizen Review Report is being performed in association with an application (15-ZN-2020) to rezone the approximately 7-acre site located on the southwest corner of Hayden Road and Osborn Road from Planned Neighborhood Commercial, Planned Community District (PNC, PCD) to Planned Unit Development (PUD). There will be no change to the General Plan or the Southern Scottsdale Area Character Plan. This Citizen Review Report will be updated throughout the process.

The entire project team is sensitive to the importance of neighborhood involvement and creating a positive relationship with property owners, residents, business owners, homeowner associations, and other interested parties. One unique aspect to this project is the team's deep personal connections to south Scottsdale, with many members growing up and/or still residing in south Scottsdale, including one key team member living within blocks of the project. Community feedback, easy access to project information, neighborhood-driven values, and transparency is at the heart of forming this proposal. Therefore, communication with all stakeholders will be ongoing at appropriate times throughout the planning process.

Work on compiling a list of impacted and interested stakeholders and neighborhood outreach began prior to the application filing and will also continue throughout the planning process. Team members met 1:1 in person and via Zoom with around a dozen neighbors and community leaders, answered their questions and addressed their concerns to the best of our knowledge, and made sure these individuals were on our mailing list to receive future updates. Of all 1:1 meetings, all but one were supportive of the redevelopment in spite of any expressed concerns.

Communication with impacted and interested parties has taken place with verbal, written and electronic contact. The project team has also created a website for the project - www.greenbelt88.com - that includes history of the site, timeline, ownership, vision, retail opportunities, market realities, updates, resources, and plans for the redevelopment. The main page of the website hosts an opt-in form to join the mailing list, collect stakeholder contact information, and provide comments while the updates page provides the opportunity for residents to provide feedback via the comments. The mailing list sign-up is utilized to send out updates and reminders for any forthcoming public meetings.

Community Involvement

The outreach team began communicating with neighboring property owners, existing tenants, and community members in July 2020 prior to sending the first open house announcement. Members of the outreach team have continued to be available to meet with any neighbors who wish to discuss the project. Additionally, they will continue to be reached via telephone and/or e-mail to answer any questions relating to the project. Members of the team have observed social media posts, corrected misinformation, and made sure the neighborhood knows the team is accessible to answer questions by providing the website and contact information.

On August 13, 2020, surrounding property owners, HOAs and other interested parties within a 1,000-foot radius were notified via first class mail regarding the project. The distribution of this notification EXCEEDED the City's requirements as specified in the Citizen Review Checklist. This notification contained information about the project, as well as team and City contact information for any questions or comments. The notification also contained information regarding a virtual Open House that was held on August 26, 2020, via Zoom with the project's leadership team for those who wished to learn more about the project. On August 13, 2020, an Early Project Under Consideration sign was also posted on site with the same general information and specific information regarding the upcoming virtual open house.

More than 100 interested people attended the first Open House. Attendees had questions about continued retail uses, the addition of more apartments to the area, traffic, parking, height, proximity to the golf course, and potential impact on views. These questions were addressed to the best of the team's ability and knowledge at this virtual open house.

The August 26th meeting was at full capacity with a number of people in the waiting room, and demand was high for a second opportunity to solicit community feedback. Therefore, the team decided to conduct a second Open House to give additional opportunity for input and distribution of information. On September 3, 2020, new notification letters were sent out to the expanded mailing list. On September 14, 2020, prepared with triple the capacity as the first meeting, the team held a follow-up virtual open house meeting, which included some additional renderings, with about 40 people in attendance.

In addition to the formal open house meetings, the team has been in consistent communication with individuals and neighborhood and civic groups, including the executive director of COGS as well as the founder of a new effort called Safeguard Scottsdale. On February 27, 2021, a flyer was delivered to neighbors and posts on social media were made by Safeguard Scottsdale asking neighbors to request a continuance of the scheduled March 18, 2021, DRB meeting. This flyer (which included the logo of the City of Scottsdale at the top) - did not include the project website or contact information for the development team. On March 8, 2021, our architect met with leaders from both groups as well as two sitting council members to help answer questions, explain common misconceptions about infill development, address concerns, and collect feedback. This was a positive, productive meeting in which both COGS and Safeguard Scottsdale leadership committed to providing our team's contact information and website in their communications to

neighbors, allowing for a truly collaborative and transparent effort by all parties.

On March 18, 2021, a Development Review Board hearing was held regarding the project. Again, On May 6, 2021, a second Development Review Board hearing was held – at which the project was unanimously recommended for approval. The requisite City notifications and sign postings occurred for both of these hearing and the information was also provided on the project website.

On May 21, 2021, new signs were posted on site which included information about the update Planning Commission hearing. On June 9, 2021, a hearing before the Planning Commission was held in which the case was continued. Since that time, the team has continued to conduct outreach. On June 30, 2021, new notification letters were sent out (again, to the expanded 1,000-foot radius of property owners) providing an update on the project and inviting them to attend an open house on-site to discuss and review the project. On July 15, the open house was held in vacant suites on site. Roughly 40 members of the public attended the open house. Exhibits were on display, a presentation was made, and members of the team were available to answer questions. The following day, (July 16), and per the request of a Safeguard Scottsdale, a meeting was held at the offices of Withey Morris to discuss the project in further detail in a more intimate setting with a smaller group.

Members of the team have also conducted outreach with nearby business owners and many have since provided their support in writing to the City. In fact, the team has yet to receive any negative feedback from surrounding businesses.

The development team will continue to make themselves available to discuss the project. Additionally, the project website (www.greenbelt88.com) serves as a hub for project information. Interested parties can reach out to the team's outreach consultant, Andrea Alley, at hello@greenbelt88.com or the project planner, George Pasquel III at george@witheymorris.com.

Re: Southwest Corner of Hayden Road and Osborn Road – 133-PA-2019

Dear Property Owner or Interested Citizen:

Our office represents Village Property Management, LLC (“Village Management”) with regards to the roughly 6.9-acres property located within the commercial center at the southwest corner of Hayden and Osborn Roads. See attached aerial for reference. The purpose of this letter is to introduce ourselves and to let you know we have filed a preliminary application (133-PA-2019) with the City of Scottsdale to rezone the Property from Planned Neighborhood Center, Planned Community District (PNC, PCD) to Planned Unit Development (PUD). The intent of this application is to breathe new life into the center with a mixed-use redevelopment that maintains retail and commercial uses, while adding residences and providing a vastly improved shopping experience for the community.

As you may know, the property has functioned as a commercial center since the early 1980’s, once housing such tenants as a Lucky’s Supermarket and a Walgreens. As consumer spending habits evolved (i.e. online shopping) and the retail market matured (local, boutique and experience driven retail) the center has struggled to remain relevant and has seen a lot of tenant turnover. The current layout of the buildings is dated and long overdue for redevelopment to meet the demands of today’s shoppers. Perhaps most glaring, the currently layout turns its back the greenbelt in what is truly a huge, missed opportunity.

The Property has a General Plan designation of *Mixed-Use Neighborhoods*. The envisioned project provides just this, with a mixed-use redevelopment include roughly 300 high-end multifamily residences and roughly 22,000 sqft of new, ground floor retail / commercial space. The design will place an emphasis on the pedestrian experience and engaging with the greenbelt to the west, as opposed to the current layout which turns its back on this unique, Scottsdale amenity. A preliminary site plan is attached for reference. Building height in the PUD zoning district is limited to 48 feet and parts of the project that reach this height are setback far from Hayden and Osborn Roads. A series of new, shaded pedestrian pathways will connect the site internally, encouraging visitors to stay and browse among the shopping options, or relax and enjoy a cool drink on the patio overlooking the greenbelt and Camelback Mountain.

To discuss this application and any questions you may have, we have scheduled an open house on August 26, 2020 at 5:30 pm. In light of the social distancing recommendations by the Center for Disease Control (CDC) and the City of Scottsdale, we will be conducting this open house virtually via Zoom Meeting. We will make a live presentation through this program in which we will describe the project and display plans and exhibits. Once the presentation is over, participants will be able to submit questions that will be answered live via webcam by the Development Team.

IF YOU WOULD LIKE TO PARTICIPATE: Please email me at George@WitheyMorris.com to request a link to the meeting. Additional information regarding the meeting format will also be provided. The only way you will be able to access the meeting is by the link we will provide you.

If this date and time are not convenient, I would be happy to speak with you by phone or in person from a safe distance at your convenience. Please contact me at 602.230.0600 or

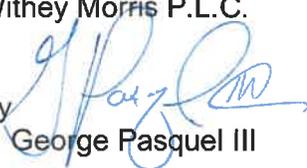

George@WitheyMorris.com. You can also reach the City's Project Coordinator, Bryan Cluff at 480.312.2258 or at BCluff@Scottsdaleaz.gov. In the future, you should receive notification postcards from the City regarding the case and its scheduled public hearings. Information can also be found on the City's website at: <http://www.scottsdaleaz.gov/planning-development/projects-in-process>.

We have also set up a website for this project that will provide information and updates as we proceed through the process. The website is: <https://www.greenbelt88.com/>

Again, I would be happy to answer any questions. Feel free to contact me at 602.230.0600 or George@WitheyMorris.com. Thank you for your courtesy and consideration.

Sincerely,
Withey Morris P.L.C.

CONCEPT A

September 3, 2020

Re: Southwest Corner of Hayden Road and Osborn Road – 133-PA-2019

Dear Property Owner or Interested Citizen:

Our office represents Village Property Management, LLC (“Village Management”) with regards to the roughly 6.9-acres property located within the commercial center at the southwest corner of Hayden and Osborn Roads. See attached aerial for reference. You may have received previous correspondence from our office regarding this site and plans for an exciting redevelopment. You may have even joined our virtual open house last month. The purpose of this follow up letter is simply to let you know we will be hosting a second open house on September 14, 2020 (see details below).

As you may know, this property has functioned as a commercial center since the early 1980’s, once housing such tenants as a Lucky’s Supermarket and a Walgreens. Village Management has owned the Property for over 17 years and, as consumer spending habits evolved (i.e. online shopping) and the retail market matured (local, boutique and experience driven retail) the center has struggled to remain relevant. The current layout of the buildings is dated and long overdue for redevelopment to meet the demands of today’s shoppers. Perhaps most glaring, the currently layout turns its back the greenbelt in what is truly a huge, missed opportunity.

In the coming weeks, our office will be filing an application with the City of Scottsdale to rezone the Property from Planned Neighborhood Center, Planned Community District (PNC, PCD) to Planned Unit Development (PUD). The intent of this application is to breathe new life into the center with a mixed-use redevelopment that maintains retail and commercial uses, adds residences, and vastly improves the common areas and overall shopping experience for the community. We have also set up a website (www.Greenbelt88.com) with project information that will be updated throughout the process.

The Property has a General Plan designation of *Mixed-Use Neighborhoods*. The envisioned project provides just this, with a mixed-use redevelopment include roughly 300 high-end multifamily residences and roughly 22,000 sqft of new, ground floor retail / commercial space. The design will place an emphasis on the pedestrian experience and engaging with the greenbelt to the west, as opposed to the current layout which turns its back on this unique, Scottsdale amenity. A preliminary site plan is attached for reference. Building height in the PUD zoning district is limited to 48 feet and parts of the project that reach this height are setback far from Hayden and Osborn Roads. Shaded, outdoor patios, pathways and common areas will encourage visitors to stay and browse among the shopping options or relax and enjoy a cool drink on the patio overlooking the greenbelt and Camelback Mountain.

The second open house is scheduled for September 14, 2020 at 5:30 pm. In light of the social distancing recommendations by the Center for Disease Control (CDC) and the City of Scottsdale, we will be conducting this open house virtually via Zoom Meeting. We will make a live presentation through this program in which we will describe the project and display plans and exhibits. We will also field questions from those in attendance.

IF YOU HAVE ALREADY CONTACTED US FOR INFORMATION REGARDING THE FIRST OPEN HOUSE, YOU WILL AUTOMATICALLY BE ADDED TO THE EMAIL LIST FOR THE SECOND OPEN HOUSE....SO, NO NEED TO REQUEST MEETING INFORMATION. IF YOU HAVE NOT

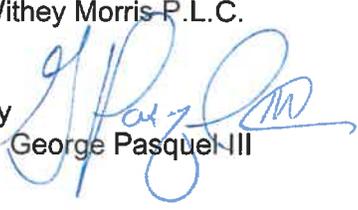

ALREADY CONTACTED US AND WOULD LIKE TO PARTICIPATE: Please email me at George@WitheyMorris.com to request a link to the meeting. Additional information regarding the meeting format will also be provided. The only way you will be able to access the meeting is by the link we will provide you.

If this date and time are not convenient, I would be happy to speak with you by phone or in person from a safe distance at your convenience. Please contact me at 602.230.0600 or George@WitheyMorris.com. You can also reach the City's Project Coordinator, Bryan Cluff at 480.312.2258 or at BCluff@Scottsdaleaz.gov. In the future, you should receive notification postcards from the City regarding the case and its scheduled public hearings. Information can also be found on the City's website at: <http://www.scottsdaleaz.gov/planning-development/projects-in-process>.

Again, I would be happy to answer any questions. Feel free to contact me at 602.230.0600 or George@WitheyMorris.com and check back often at the project website at www.Greenbelt88.com.

Thank you for your courtesy and consideration.

Sincerely,
Withey Morris P.L.C.

June 30, 2021

Re: Southwest Corner of Hayden Road and Osborn Road – Case 15-Z-2020

Dear Property Owner or Interested Citizen:

Our office represents the Ownership of the roughly 6.9-acre property located within the commercial center at the southwest corner of Hayden and Osborn Roads. See attached aerial for reference. They have owned the 40-year old center for the past 18 years. You have probably heard a lot about this Property over the past years, it's struggles, and plans to breathe new life into the center with a mixed-use redevelopment. You may have even attended one of several open houses or small group meetings to discuss the project. If so, we thank you for your time and feedback.

The redevelopment would maintain retail and commercial uses, add residences, and vastly improves the common areas and overall shopping experience for the community – plus open up a new beautiful walkway and plaza along the Greenbelt for the community. (More info at: www.Greenbelt88.com) The purpose of this letter is to provide a brief update and to invite you to an open house.

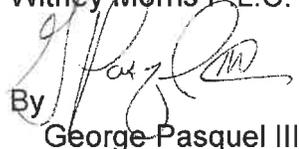

We are happy to report that on May 6, 2021, the Scottsdale Development Review Board recommended approval of the Development Plan. On June 9, 2021, the Planning Commission continued the case to allow for further refinements and input. In that effort, we will be conducting another open house which you are invited to attend. The open house meeting will be held Thursday, July 15, 2021 on site at 5:30 pm. The meeting will be conducted within some of the empty suites onsite - 3310 N. Hayden Road, Scottsdale, Suites 103-105.

If this date and time are not convenient, as always, I would be happy to speak with you by phone or in person at your convenience. Please contact me at 602.230.0600 or George@WitheyMorris.com. In the future, you should receive additional notification postcards from the City regarding the case and its scheduled public hearings. Information can also be found on the City's website at: <http://www.scottsdaleaz.gov/planning-development/projects-in-process>.

Again, I would be happy to answer any questions. Feel free to contact me at 602.230.0600 or George@WitheyMorris.com and check back often at the project website at www.Greenbelt88.com.

Thank you for your courtesy and consideration.

Sincerely,
Withey Morris P.L.C.

By 
George Pasquel III
