Agent: GPD Group - Contact: Josh Graber; 330.572.3521; jgraber@gpdgroup.com

Summary of Modifications

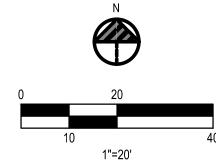

Civil and Landscape Drawings

- Added pavers to the primary egress walkway.
- Revised the parking spaces in front of the building to concrete per igCC requirements.
- Added a sidewalk to the property line on the east side of the property.
- Added calculations (bike, parking, open space, max FAR, etc.) on site plan per zoning.
- Highlighted screenwall at north parking spaces.
- Added open space plan.
- Clarified utilities and connections on the site plan (previously shown on utility plan only).
- Revised sanitary sewer connection (added manhole) per BOD comments.
- Removed signage indications on site plans.
- Revised site lighting per photometric requirements.
- Revised plant species per zoning requirements (decomposed granite, calipers, etc.)
- Included McDowell Corridor Improvement Guidelines to landscape design.
- Clarified landscape summary per zoning.
- Added planters to building base.
- Added ROW dimensions to landscape plan.

Architectural Elevations and Building Design

- Revised elevation labels per comments.
- Included rendering of all elevations.
- Clarified detailing of the patio and railing.
- Enclosed all meters on rear of building.
- Provided detailing on door/windows wall recesses.
- Revised all finishes on building.
- Included a mural on building.
- Provided vertical louvers at primary tower element.
- Removed signage from portal "tombstone" at primary entrance.
- Extended front canopy to connect to building at banding.
- Added roof and floor plans.
- Clarified canopies on all three primary sides of building, connected to building mass, as integral elements.
