Lime green square will be a US foods truck blocking the line area of the queue.

The line will zig zag giving plenty of space for the line queue that will start at the parking lot crosswalk that leads to Clancy's. Security will help keep the line from reaching the Sprouts area that was affected in past.

This will allow patrons to be Safe from parking lot traffic also.

Tent and speakers pictures in white and red will project sound to the northwest. Wall tent siding will direct the sound towards the crowd and not to the east neighbor

Music from

9am to 9pm

Crowd totals could reach 600-800 people over the day.
