BACKGROUND

Scottsdale General Plan 2035

The General Plan Land Use Element designates the property as Rural Neighborhoods. This land use designation includes areas of relatively large lot single-family neighborhoods. Densities in Rural Neighborhoods are usually one house per acre (or more) of land. Clustering of development is encouraged to preserve desert vegetation, washes, and natural features. Some of these areas were developed with one-acre lots under Maricopa County standards prior to annexation by Scottsdale.

Desert Foothills Character Area Plan

This property falls within the Desert Foothills Character Area Plan. The purpose of this character area is to promote or enhance the character of the Desert Foothills area by establishing development and design guidelines for maintaining the natural qualities of the upper desert, open space areas, and the rural lifestyle found in the area.

Zoning

The subject site is zoned Single-Family Residential, Environmentally Sensitive Lands, Foothills Overlay (R1-43 ESL FO). The R1-43/ESL/FO zoning district allows for single-family residential uses and. The subject property was annexed into the City of Scottsdale in 1983 through Ordinance No. 1611. The Environmentally Sensitive Lands Overlay was applied in 1991.

The purpose of the Environmentally Sensitive Lands (ESL) overlay district is to identify and protect environmentally sensitive lands in the city and to promote the public health, safety and welfare by providing appropriate and reasonable controls for the development of such lands.

The purpose of the Foothills Overlay (FO) district is to provide a means to recognize and further preserve the rural desert character in the low-density lands that are generally not within subdivisions to which the FO district has been applied by defining additional standards that help to define the area's unique character. These standards are intended to result in minimum visual impact for buildings and other improvements and to further the related purposes of the Environmentally Sensitive Lands (ESL) district that relate to preservation of the desert and blending the form of buildings into the desert environment.

Context

The subject property is located at the northwest intersection of N. 58th Street and E. Quail Track Drive.

APPLICANTS PROPOSAL

Development Information

This is an existing developed residential parcel which would like to abandon excess right-of-way (ROW) that was dedicated as part of the original development of the parcel. The current right-of-way dedicated by recording document 1993-110379, required this lot to have twenty-five (25) feet of ROW along the eastern and southern property boundaries. For clarification that is the western twenty-five-foot half street of N. 58th Street and the northern twenty-five-foot half street of E. Quail Track Drive. The applicant is requesting to abandon the excess ROW on 58th Street for future improvements.

The transportation department in conjunction with the Desert Foothills Area 8a Local Area Infrastructure Plan (LAIP) has deemed there is no longer need for right-of-way for this segment along N. 58th street and are supportive of the abandonment. There are existing and proposed utility improvements within the requested abandonment area and the city has reserved a water and sewer facilities easement (WSFE) over a proportion of that area. The applicant has agreed to dedicate a twenty (20) foot wide water and sewer facilities easement along the east property boundary, for the north sixty-five (65) feet and narrowing to ten (10) feet wide for the remainder of distance to the southern property boundary.

IMPACT ANALYSIS

Land Use

If this abandonment is approved, this property would gain twenty-five-feet of width along its eastern boundary which shifts the property boundary location where building setbacks are measured but does not change the current function or allowable land uses on this property.

Traffic/Trails

Access to this property and the surrounding area is and will continue to be provided by E. Quail Track Drive.

Emergency/Municipal Services and Utilities

All existing emergency and municipal access will be provided to the properties surrounding the abandonment area and maintained through existing dedicated public right-of-way along E. Quail Track Drive. No impacts are anticipated.

Public Utilities

The public utilities have been notified of the applicant's request. A water and sewer facilities easement will be retained over areas of the requested abandonment.

Community Involvement

Property owners within 750 feet of the subject properties were notified of this application. As of the writing of this report, staff has not received any objections to this application.

Community Impact

No community impacts are anticipated as a result of the requested +/- 7,630 square feet of right-of-way abandonment area within the scope of this application. This property and surrounding properties will still have public street access from E Quail Track Dr. to the south or E Pinnacle Vista Dr. to the north. The applicant agrees to pay \$3,812.50 as compensation to the city for the value of the abandonment area at the standard \$0.50 per square foot rate for this circumstance.

STAFF RECOMMENDATION

Recommended Approach:

Staff recommends that the Planning Commission make a recommendation to City Council for approval to abandon the west twenty-five (25) feet of N. 58th Street, finding that the proposal is consistent with and conforms to the adopted General Plan, subject to the following:

1. The property owner shall pay to the City an amount to be determined by City Council as compensation for the abandonment of right-of-way.
2. The property owner will dedicate a twenty (20) foot wide water and sewer facilities easement along the east property boundary, for the north sixty-five (65) feet and narrowing to ten (10) feet wide for the remainder of distance to the southern property boundary.

RESOLUTION NO. 12416

A RESOLUTION OF THE COUNCIL OF THE CITY OF SCOTTSDALE, MARICOPA COUNTY, ARIZONA ABANDONING, SUBJECT TO CONDITIONS AND RESERVATIONS, CERTAIN INTERESTS IN A PORTION OF THE PUBLIC RIGHTS-OF-WAY FOR PROPERTY LOCATED AT 5790 E. QUAIL TRACK DRIVE.

(3-AB-2023)
(Quail Track Easement)

WHEREAS:

- A. A.R.S. Sec. 28-7201, et seq. and A.R.S. §9-500.24 provide that a city may dispose of a public roadway or portion thereof that is no longer necessary for public use.
- B. Scottsdale Revised Code §2-221 and other applicable laws provide that the City may dispose of other real property interests.
- C. After notice to the public, the City of Scottsdale Planning Commission and City Council have held hearings on the proposed abandonment of a certain portion of the street right-of-way and other interests (collectively the “Abandonment Rights-of-way”).
- D. The Abandonment Rights-of-way are legally described on **Exhibit “A”** and depicted on **Exhibit “B”** attached hereto, and comprise an area of approximately 7,630 square-feet.
- E. The Abandonment Rights-of-way fall within, serve, affect or are near a parcel comprising approximately .1751 acres (“Owner’s Parcel”), as depicted on **Exhibit “C”** attached hereto.
- F. The Council finds that, subject to the conditions, requirements, reservations and limitations of this resolution, the Abandonment Rights-of-way are no longer necessary for public use.
- G. The Council has considered the City expenditure, if any, authorized by this resolution and the direct consideration that City will receive and finds that there is a clearly identified public purpose for City’s expenditure, if any, and that City will receive direct consideration substantially equal to its expenditure.
- H. The Council finds that consideration and other public benefit commensurate with the value of the interests in the Abandonment Right-of-way being abandoned, giving due consideration to its degree of fragmentation and marketability, will be provided to City by the owners of the abutting property.

NOW, THEREFORE, BE IT RESOLVED by the city council of the City of Scottsdale, Arizona, as follows:

1. Abandonment. Subject to the reservations and conditions below, City's interests comprising the Abandonment Rights-of-way are hereby abandoned.

2. Reservations. City reserves to itself and excludes from this abandonment all of the following cumulative, perpetual interests:

2.1 Any and all interests in the Abandonment Rights-of-way that any related application, zoning case, plat, lot split, use permit, or other land use regulatory process or requirements may require to be dedicated to City.

2.2 Any of the following in favor of City that may already have been imposed on the Abandonment Rights-of-way prior to this resolution, if any:

2.2.1 Any V.N.A.E. or other vehicular non-access easement or covenant.

2.2.2 Any N.A.O.S. or other open space or similar easement or covenant.

2.2.3 Any drainage or flood control easement or similar easement or covenant.

2.2.4 Any public non-motorized access easement or trail easement or similar easement or covenant.

2.2.5 Any scenic corridor, setback or similar easement or covenant.

2.3 An easement for all existing utilities, if any.

2.4 Such rights and interests, if any, as are required to be reserved by A.R.S. Sec. 28-7210 and A.R.S. Sec. 28-7215.

3. Effective Date. This resolution shall not be recorded or become effective until the Zoning Administrator determines that all of the following conditions (the "Conditions") are satisfied in accordance with all applicable laws, regulations and policies and at no expense to City:

3.1 The owner of the parcel shall pay to City the total amount of Three Thousand Eight hundred and twelve Dollars and 50/100 (\$3,812.50) as compensation to the City for the Abandonment Right-of-way, in addition to any application fees or other amounts related to this resolution and in addition to any other amounts payable to City.

3.2 The owner has delivered to City a deed, plat or other instrument that dedicates to City, in accordance with City specifications, a twenty (20) foot wide water and sewer facilities easement along the east property boundary, for the north sixty-five (65) feet and narrowing to ten (10) feet wide for the remainder of distance to the southern property boundary.

3.3 As proof of satisfaction of the conditions set forth in Section 3, The Zoning Administrator shall execute the certificate at the bottom of this resolution indicating that the Conditions have been satisfied.

4. Administration of Conditions. If the foregoing Conditions are not all satisfied prior to the second annual anniversary of this resolution, the Zoning Administrator shall report the same to the City Clerk and then the City Clerk shall mark this resolution to indicate that this resolution is void.

5. Exhibit Labeling. The text of this resolution controls any conflict with the exhibits as to the nature of the interests created, reserved or otherwise affected by this resolution. For example, if the text of this resolution indicates that City is reserving a particular type of easement, but the exhibit text or labels indicate a different type of real estate interest, then the text controls.
